CONSULTATION OPEN Cummins Master Plan

A Cummins Township Master Plan is being developed to provide a 20-year strategic framework and vision to guide the proactive and planned population and business growth of Cummins.

Holmes Dyer was engaged to work with Council on this important project that will incorporate community and stakeholder ideas and feedback, along with a review of population, land-use, economic, infrastructure planning and built environment, landscape and streetscape design analysis.

How to provide feedback

Public consultation is open and will close at 5pm on Monday, October 17.

Community Drop-in Session

A community drop-in session will be held at the Cummins Institute on Friday, October 7 from 11am–2pm. Drop in and chat to consultants about your ideas.

EMPLOYMENT OPPORTUNITY

Works Admin Officer

Applications are invited for an Administration Officer with great attention to detail to work from the Cummins office 48 hours per fortnight to assist in customer service and undertake general administration duties within the works department.

Salary and conditions of employment will be at Level 3 in accordance with the Council's Enterprise Bargaining Agreement. For more information visit Council's website or call 8676 0400. Applications close 5pm, Thursday, October 13.

Poonindie Cemetery surveying

People can go to the Poonindie Cemetery on September 28 to learn about the ground radar survey work being completed.

Council is fortunate to have Flinders University Terrestrial Archaeology Technical Officer, Chantal, and Historical Archaeologist Heather, visiting to undertake a ground radar penetrating survey. They survey will assist Council to identify potential interment sites and determine a cemetery boundary.

Interested community members are welcome to attend from 10.15am-11.15am. A Welcome to Country will be held before Chantal and Heather explain the processes involved.

Yorkies Gully Road closed

Yorkies Gully Road has been closed due to a large bog hole covering the width of the road, making the area impassable by conventional vehicles or trucks.

The bog hole is about 3kms from Settlers Road and 5.3kms from Duck Lake Road. The road may be closed until Friday, September 30.

DrumMUSTER

Council is taking bookings for the next drumMUSTER on October 25-26 at the Cummins Waste Transfer Station. Bookings are essential and can be made by contacting the Cummins Council Office and speaking to Works Admin on 8676 0400.
