

The Coffin Bay Sun

August 2022

Initiative of the Coffin
Bay Progress
Association

coffinbaysun@gmail.com

Nothing to Report this Month

HAVE YOUR SAY!

The Management Committee of Coffin Bay Progress Association is considering introducing a new feature in The Coffin Bay Sun titled **Have Your Say!**

This is an opportunity for you to make comments or suggestions about things around town you like, don't like, would like changed, or would like to see introduced for the benefit of the community.

Some simple rules will apply ...

- Letters to be no more than 100 words
- The Editor & Management Committee will reserve the right to publish or not publish letters, or edit to fit available space.
- No defamatory or offensive comments against any person or business - these will be edited out, or the letter not published at all.
- Your name must be included for publication, and a contact phone number (not for publication). Anonymous letters will not be published.

The Editor and Management Committee reserve the right to cease publishing this feature at any time.

Coffin Bay Progress Association will introduce this new feature in the July edition of The Coffin Bay Sun, and look forward to receiving contributions, to email address coffinbaysun@gmail.com

NEW PROGRAM: BEING DIGITAL INFORMATION SESSION

To be held on the third Thursday of each month @2.30pm, beginning August 18, in the Cummins Library. A monthly theme of digital tips and information, supplied by Be Connected and Libraries SA will be delivered, followed by brief Q&A opportunity.

August theme: Protecting your identity online.

Please phone to register your interest.

Digital Assist: For appointments regarding specific issues, fortnightly on Thursday mornings between 10.00 - 12.00, please phone 86762476.

We will endeavour to assist you to the best of our ability.

Bookings essential.

eSafety
withBeConnected

Be Connected
Every Australian online.

Can you spot a scam?

On the internet, we cannot always be sure that people are who they say they are. Being aware of internet tricksters is one of the most important steps towards avoiding them. Once you are aware of their tricks, it should be easier to spot a scam when you see one.

Tip: If you are unsure about a message you have received, do an internet search for the company it appears to be sent from and contact them directly.

Tax & Medicare scams

Scammers are impersonating the Australian Taxation Office, Medicare and other government organisations to gain money and personal information from victims through fake websites, emails, text messages and phone calls.

It's important to remember, the Australian Tax Office (ATO) will never:

- send you an email or text message asking for your personal information including your TFN, credit card or bank details
- ask for you to pay a fee to receive your tax refund, or to get out of being arrested for tax evasion
- send you an email with a link to an online service that asks for your personal details
- send you downloadable files or tell you to install software.

Our clinic nurses work alongside our doctors to support the delivery of quality preventative care and chronic disease management to eligible patients.

They assist with skin checks, the coordination of chronic disease management care planning and can perform comprehensive health assessments in the clinic and in the home.

Our nurses are also available to perform other clinical tasks such as blood tests, immunisations and basic wound care.

Volunteer in your Community

Coffin Bay Bowling Club Needs You!!

With several members having retired from bowls or moved away, we are needing new players to join our club and enjoy our fantastic sport.

Our friendly group of members will welcome any interested persons, regardless of playing ability or experience to come along and enjoy the game of bowls. Our facilities are arguably the best on Eyre Peninsula, and members can enjoy bowls from social bowls through to pennant competition.

If you think you might like to give bowls a try, contact **Paul Phillips - 0411 881 474**

or

Peter and Lorraine Shepperd 0427 103 492

The Yacht club has been built on the strength of its volunteers - literally! From building the clubhouse, running the kitchen and the bar, offering sail training to the community, volunteers have provided the energy, skills and commitment every step of the way.

Are you looking for a chance to give back to your community? Are you new to town and want to get involved and meet locals? If you can spare just a few hours a month to help in our kitchen or the bar, then come and join our team with the added bonus of an amazing view, a free meal and drinks on the night and a voucher to return with your family or friends in your own time.

The club's focus is to foster a love for the sea, to promote sailing and water sports in our bay, and to provide a meeting place for locals, families and visitors. Well known for the friendly and welcoming atmosphere, the Coffin Bay Yacht Club strives to continue to be a vital part of the Coffin Bay community.

Volunteer on your own, with a friend - or even a group of friends!

To join contact Amy on amylcarr82@gmail.com or 0428 556 709 or drop on in!

Lake Wangary School Fundraiser

LWS has positioned bottle and can recycling trailers in Coffin Bay (behind the hall), at Lake Wangary School (visible from Farm Beach Rd) and at Farm Beach Caravan Park.

We thank all those who donate bottles and cans. The money goes towards our learning programs and facilities. Please contact the school if you have high levels of bottles and cans you need removed and we may be able to help. Thanks from LWS.

SA Ambulance Service volunteers needed at Coffin Bay

The SA Ambulance Service (SAAS) volunteer team at Coffin Bay are looking for volunteers to join them as the service launches a new community recruitment drive.

It is easier than you think, with the opportunity to make a difference in the community and gain life-skills that can be used in everyday life.

Most patients are people with chest pain, breathing problems, have experienced a fall, or have pre-existing medical conditions. Of course, on some occasions there are major incidents, but these are a very small portion of the work. You will always be paired with a qualified ambulance officer, who will be there to assist and support you.

Big congratulations and thank you to Lara Evans for 5 years of service as a SAAS volunteer (pictured with Regional Team Leader Chris Morgan).

SAAS provide the necessary training, which is totally free of charge, and at the end of your training you'll walk away with a nationally accredited Certificate IV in Health Care.

With flexible rosters that can work around your lifestyle, you don't always need to be at the ambulance station when on-call.

There's no better time to take control in an emergency, to help save the lives of others.

Interested? Call the Regional Team Leader on 0428 822 031 or the Volunteer Support Unit on 1300 175 584 (Monday to Friday, 8.30am to 4.30pm).

Or apply through the SAAS website: www.saasvolunteer.sa.gov.au or email SAASvolunteer@sa.gov.au.

See what we get up to on Facebook @SAAmbulanceService or Instagram @sa_ambulanceservice.

Answer the call on the Lower Eyre Peninsula SA Ambulance Service volunteers needed

The SA Ambulance Service (SAAS) volunteer teams at Coffin Bay, Tumby Bay, Cummins, Port Neil and surrounding areas are looking for volunteers to answer the call and join them, as the service launches a new community recruitment drive.

Volunteer Mandy from Coffin Bay, has been speaking about the benefits of becoming a SAAS volunteer as the latest SAAS campaign, titled 'Answer the Call' hits the streets. She says volunteering with SAAS gives you many additional and transferable skills, that can be useful in everyday life.

Mandy joined SAAS just over a year ago after growing up admiring what the ambulance service did to help her family. "Quite regularly someone in my family was on the receiving end of the services, so once I found out about volunteering it was an easy decision for me to join – volunteering for my community is knowing that help is closer for someone when they need it."

Mandy also found that through the training gained from volunteering, she has not only obtained useful skills to help her family and others, but has also expanded her knowledge about health and medicine. "I really enjoy our weekly trainings, they're always valuable and a bit of fun."

Whether you work full-time, are a student or retired, volunteering with SAAS can help you broaden your skillset, meet like-minded community members, and make new friends. With flexible rosters that can work around your lifestyle, you don't always need to be at the ambulance station when on-call.

Mandy says, "volunteering with SAAS is a commitment, but I've personally found that it is a very flexible one. We all understand that everyone has jobs and family, and if you can't make a training or be on call, then that's okay. The learning component as a new recruit has also fit well into my everyday life".

Mandy wants you to answer the call. "If this is something that has crossed your mind, jump onboard. Not only do we learn amazing skills, we have fun. The reward of knowing you've supported your community when someone is in need is the best feeling."

There's no better time to answer the call and take control in an emergency, to help save the lives of others. Interested? Call Regional Team Leader, Chris Morgan on 0428 822 031 or the Volunteer Support Unit on 1300 175 584 (Monday to Friday, 8.30am to 4.30pm). Or apply through the SAAS website: www.saasvolunteer.sa.gov.au or email SAASvolunteer@sa.gov.au

Greenly Planting Day 2022

Greenly planting Day 2022 was the 6th public planting day event at Greenly Beach and the first time we have postponed due to weather which is pretty amazing really. But wet weather is good tree planting weather!

A BIG thank you to all who turned out to help on June 19th when we cancelled but some still turned up despite the weather and the rescheduled event on July 3rd. To those who came on both days thank you for your support, and a massive thank you to everyone who came on the 3rd and helped get 900 plants in the ground in about 2½ hours, a big effort. With no art projects or bbq to distract the tree planters there was some serious planting effort put in. All up ~ 1300 plants put in this year.

Over this last year we have had a lot of support including

- Funding from Lower Eyre Council to undertake rock work around the car park at the rock pools and a few other spots and erosion control works
- assistance from Taiga Build to expand and rebuild parts of the nursery on the Lake Wangary School grounds. Thanks to Ross and the team for rebuilding and recovering the nursery with light shadecloth to allow more light in at no charge for service.
- Lincoln Surf sales of the Love the West Coast T-shirts part proceeds of sales were donated to Coastcare to buy the material required for the nursery upgrade and to help with our planting days.
- being part of the Lake Wangary School Minya Custodians program and have the students assisting with projects along our coast and planting the seeds to grow most of our seedlings
- parents from the Lake Wangary School Governing Council who planned to run the bbq for planting day and then rolling with postponement and cancellation changes.
- funding from the Eyre Peninsula Landscape Board to upgrade the nursery irrigation system and install a new tank to provide rainwater to the nursery to maintain water quality. This will all be in place soon for the 2022-23 growing season.

And now we are starting to plant some winter sown seedlings and planning another big year at Greenly with a new round of funding received from the Coast Protection Board and the EP Landscape Board.
