AGRICULTURAL TOWN OF THE YEAR

CUMMINS IS A FINALIST

Cummins Residential Land Development East Terrace Update

Due to wet weather over the past fortnight, access to the site has been delayed. Despite these conditions, mobilisation activities have progressed, with the delivery of plant, equipment and site amenities now complete.

Upcoming works scheduled for next week include:

- Continue mobilisation of plant and equipment to site.
- Mobilising materials for the CWMS works.
- Construction of all-weather access into the site.
- Commencement of effluent gravity network installation.

Please note that this schedule is subject to change due to weather conditions, contractor availability, and other unforeseen circumstances. Every effort will be made to keep the community informed of any changes as they occur.

Your rubble, your revenue, your road

Keeping our roads safe and reliable starts with the right materials which means sourcing rubble close to projects. We're always seeking suitable land where rubble can be responsibly sourced. Land owners who take part will be compensated for the use of their land and materials sourced and all sites will be restored once works are complete. If you're interested in learning more, we'd love to hear from you to discuss opportunities.

SEPTEMBER 2026

CREATING CONNECTIONS

QUIZ AFTERNOON AT THE VILLAGE

Free event for residents of Lower Eyre
Council aged over 55 years!

Thursday 10th September
2:00pm - 4:00pm

AUSTDRIVE Youth Defensive Driving

Bringing young driver awareness to Lower Eyre Peninsula

The Austdrive Youth Driver Awareness Program is designed for 16-21 year olds who currently hold a probationary or learner licence. The Austdrive program meets each young driver at their level and is designed to give them a realistic view of their actual abilities. The course focuses on practical driver awareness with each participant given an opportunity to practice their driving skills in a safe and controlled environment.
