Presidents Report

MAY 2023

Hello Coffin Bay

We have had a wonderful month of activities and events throughout April. Starting with the successful and enjoyable BAMB market on the foreshore, a memorable Anzac Day service and breakfast, followed by a Family Glow disco evening in our community hall and finally wrapping up with a superb three day finale of the Baylight immersive light and music show on the Coffin Bay foreshore. A month of vibrant events that demonstrates the strength of the community in coming together to enable them to happen. We sincerely thank all the volunteers that worked to ensure these events came about. So, **a big thank you** to them, Lower Eyre Council in association with SALT Festival and all the sponsors who between them have come together and made April 2023 so special for the Coffin Bay community and Lower Eyre peninsula.

In the coming month of May with winter rolling in we look forward to a quieter month and with it the regular community activities and services running in the community hall. The quieter time also provides the opportunity for us to Clean Up Coffin Bay so make a note - **Sunday May 7th 9am to 11:30am is our Clean Up day**. Many hands make light work so please come and register at the town centre BBQ on the foreshore (next to the children's playground) and enjoy a free sausage sizzle afterwards. To register early or any queries please contact Kerryn McEwan 0498 387 961 or June Simms 0427 544 332 and to assist in the underwater Clean Up contact Manny Katz 0401 811 020. Thank you to Lower Eyre Coastcare Association, Coffin Bay Tourism Association, Coffin Bay Progress Association and Coffin Bay Scuba Company for organizing, coordinating and supporting the clean up of Coffin Bay to make it a better place for all of us to enjoy.

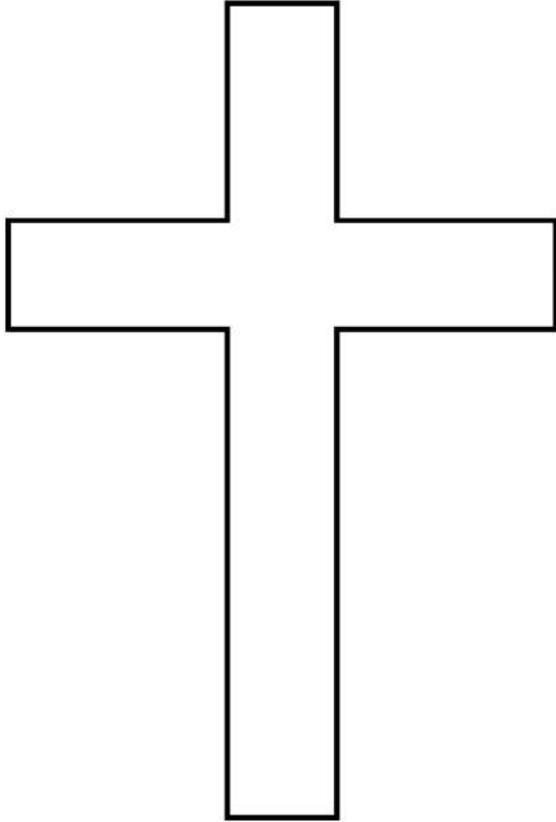

Sincerely

Georgina Lewis
President CBPA

ANZAC DAY BREAKFAST

The Anzac Day Service and Gunfire Breakfast at the Hall on Tuesday 25 April was a great success.

It was estimated that about 300 people attended the service, and around 120 people stayed for breakfast.

Many thanks to the volunteers who helped set up the day before, and on the day itself ...

Therese, Noel, Jan, Rachel, Tracey & Stumpy, Mel & her parents, Lorraine & Peter, Linda & Malcolm, Mos, Shannon, and Bronte.

And many thanks to Lisa Warner for her kind donation of 3 dozen eggs!

FAMILY GLOW DISCO

This community event was held on Saturday 22 April in the Hall and was also a great success.

We estimate around 50 children & 20 adults came along, the kids certainly enjoyed the glow sticks & the bbq.

Special thanks to Therese, Cam, Max & Matt for running the show – a lot of hard work, but worth it!

Update from the Coffin Bay Mosaics Group

Our group is coming to the end of mosaicing stobie poles and keen to go back to their own work of art. When we put up the next 4, we will have contributed 12 stobie poles. We have had loads of fun getting the poles done and so many to thank for supporting our efforts.

We hope you have enjoyed seeing them pop up in your community and would encourage you to get some friends together and get involved in the next phase of the project to paint some poles.

Special thanks to Kerryn McEwan for her great idea to colour Coffins and for the time she puts in and also to Lea Jericho for doing some wonderful designs for us and of course, all the people who have made tile donations, financial donations and other donations of weird little bits and pieces.

So if you want to have a go at decorating a stobie, making new friends, loads of laughs and getting together for coffees etc HAVE A GO 🤪👉

Cheers

Teaming up to power the Eyre Peninsula

FOR many years Allstate Solar and Kotz Electrical have worked together to install hundreds of high quality solar energy systems and battery storage solutions to Eyre Peninsula homes and businesses across the region.

Throughout this time these have been able to solve a myriad of power supply issues for customers, ranging from increasing power prices to power supply security and reliability issues.

Allstate Solar general manager Trevor Williams and Kotz Electrical owner Carl Kotz have together provided answers to some of the more commonly asked questions out there:

Q. Will a solar home battery eliminate my electricity bill?

Yes, a well-designed and installed solar system and battery can eliminate your electricity bill.

Q. Are there rebates and incentives currently available?

Yes, Allstate Solar has an exclusive rebate to offer residents on the Eyre Peninsula of up to \$2000 on a Tesla Powerwall 2 home battery (available from March 3, 2023 and strictly limited to 50 only)

Q. Will we have power during blackouts?

Yes, a Tesla Powerwall has a large storage capacity of 13.5kw which in most homes is sufficient during grid failures.

Q. Can a battery be fitted to my

current solar system?

Yes.

Testimonials

"ALLSTATE were very good to deal with. Made the whole process very easy, thorough with explanations and prompt to reply to any queries we had. Installation crew did a great job, hardly even knew they were there." *Greg Napier, Port Lincoln.*

"In January 2021 a new Tesla battery was installed. The panels were pumping into the battery by just after lunch and we were off the grid. It was a great feeling. Very happy and has worked exceptionally well since the day of installation. Good company to work with and had wonderful people as the installers." *Peter Phillips, Port Lincoln.*

"Can honestly say that from my first meeting with David the Allstate manager through to the team from Kotz Electrical completing the install the entire process has been a pleasure and since the performance has exceeded my expectations. Definitely five stars." *Mark Santos, Port Lincoln.*

"It's a great feeling to know that once the sun goes down our entire home is powered by the solar charged Tesla battery with no need to draw on the grid. There's peace of mind too that in the event of a grid power outage the battery will kick in seamlessly." *Mark Thomas, Boston.*
