Bratten Way – Update

Works have commenced stripping the existing seal in preparation for the new pavement materials which will result in a variable surface.

Council requests that people drive with caution and follow the posted limits, and we thank the public for their patience while these works continue.

Driver Education Program

The youth driver education program will be run again this year to help young drivers develop safe driving skills and provide them with the opportunity to practice in a controlled environment. They will learn skills including emergency braking and collision avoidance, as well as gain an insight into the impact of fatigue, speed, alcohol and peer pressure. Click [here](#) to register. The program will be held on Sunday, 15 October.
