Coffin Bay Bowling Club Needs You!!

With several members having retired from bowls or moved away, we are needing new players to join our club and enjoy our fantastic sport.

Our friendly group of members will welcome any interested persons, regardless of playing ability or experience to come along and enjoy the game of bowls. Our facilities are arguably the best on Eyre Peninsula, and members can enjoy bowls from social bowls through to pennant competition.

If you think you might like to give bowls a try, contact **Paul Phillips - 0411 881 474**

The Yacht Club has been built on the strength of its volunteers. From building the clubhouse, running the kitchen and the bar, offering sail training to the community, volunteers have provided the energy, skills and commitment every step of the way.

Are you looking for a chance to give back to your community? Are you new to town and want to meet some locals? If you can spare a few hours a month to help in our kitchen or bar, then come & join our team with the added bonus of an amazing view, a free meal & drink on the night and a voucher to return with your family or friends in your own time.

The club's focus is to foster a love for the sea, to promote sailing and water sports in our bay, and to provide a meeting place for locals, families and visitors. Well known for the friendly and welcoming atmosphere, the Coffin Bay Yacht Club strives to continue to be a vital part of the Coffin Bay community.

Volunteer on your own, with a friend or even in a group of friends. To join, contact Amy on amylcarr82@gmail.com or 0428 556 709 or drop in to the club.

Peter Mitchell
Candidate for the 2022
Lower Eyre Council elections

Please - VOTE 1: Peter Mitchell

Over the last 36 years that I have lived in Coffin Bay, I have become very aware and understanding of the issues and challenges that this area faces but also so excited about the many opportunities that exist. I am so proud to be living here and have thoroughly enjoyed representing you on our Council for the past twelve years - currently acting as Deputy Mayor and recently with the position of Deputy Chairperson of the Council Assessment Panel.

These experiences have given me an excellent understanding of the wonderful opportunities we have in our district and the broader region; how to identify and manage any risks and challenges our Council may face, and how to grasp and develop opportunities as they arise.

Often these opportunities present conflict between our special environment and development and sensible compromises are needed. If re-elected I will advocate to strike a balance between differing community demands to ensure the best possible outcomes.
