WORDS FROM

THE COMMUNITY

*Have you got news to tell the community?
Maybe you'd just like to thank someone, write
a little poem for
everyone's enjoyment, or simply highlight the
little things that make
Cummins such a special place.*

THE SUSPECT

I look out of my window
And watch my Weeping White Broom,
The 'bridal tree' they call her,
Clothed in virginal spring blossom,
Fine feathery fronds awhirl
In an equinoctial gale
Like a bewitched and sensuous siren,
Or a belly-dancer intoxicated
By her own importance
And tossing a thousand veils
Of allure.
No bride this tree
But an errant vagabond
Sneaked into my garden
Under cover of purity.
I suspect her origins.

Patricia M. Virgin

BUTTERFLIES

Butterflies float
above my garden
in a flutter of colour,
kissing
one by one
sunbathed flowers
as they dance
a summer ballet
on honeyed air,
delicate and elusive
as first love.

CUMMINS & DISTRICT WAR MEMORIAL SWIMMING POOL AGM

With ongoing community support the Cummins & District War Memorial Swimming Pool hopes to continue to service the community and its wider districts for many years yet.

We have our Annual General Meeting for the 2021/2022 season scheduled for Monday, 11th October 2021 at 7.30pm at the Cummins Pool and it would be fantastic to have as many pool and community members present to support our local facility.

We have some major upgrades to be undertaken in the coming years to continue to provide a quality pool environment to the public.

We are seeking a Secretary and any interested new committee members. Many of our committee members have served on this committee for 10 to 20+ years. We encourage any families with young children interested in swimming to consider joining to assist in the future running/development of the pool facilities. If you would like to join our enthusiastic committee then please contact Catherine Haarsma on 0427 762 309 or Mel Dickinson (President) on 0428 762 491.

Last season we were fortunate to have community members volunteer to be pool Covid Marshalls, and canteen helpers for our catering functions for the Swimming Carnivals/Royal Life Swimming/Sports Days. Without these community and pool volunteers we would not have been able to operate and open for the Summer season. We encourage the community to continue support the 2021/22 season with volunteering where possible.

Universal Worker Project

Eyre Peninsula, Yorke and
Mid North - SA

About this Project

Aged and Community Services Australia (ACSA) is being funded by the South Australian Government Skilling South Australia program to deliver an industry-led initiative called the SA Universal Worker project for the Eyre Peninsula, Yorke and Mid North.

The Project will introduce both aged care and disability competencies via a traineeship pathway. The project will create a 'right fit' and quality trained Universal Worker who will be capable of working in both the care and disability support services.

Key Elements

- ✓ Traineeships in Certificate III in Individual Support (Ageing) (Disability)
- ✓ Locally based Workforce and Industry Development Officer to drive the program and provide support to stakeholders.
- ✓ Financial incentives for employers who employ a trainee
- ✓ High quality training provided by Registered Training Organisation (RTO) Australian Employment and Training Solutions (AETS), through a variety of modes: face to face competency assessment, online, Zoom workshops.
- ✓ Participants will undertake an interview and job ready program prior to commencing in the workplace to assist employers in attracting the 'right fit' people into the workforce.

Target audience

This program is ideal for people who are considering a career pathway into Aged Care or Disability, people who may already be working in the sector who need to gain formal qualifications to support their existing role. Suitable for service providers who can benefit from expanding their workforce who can benefit from current traineeship government incentives.

Project details

If you are a person wanting to work in Aged Care or Disability services, are interested in a traineeship, or are a current service provider in the sector who wants to support your staff to gain formal qualifications and access the government financial incentives for trainees then please contact us to be part of this project in your community.
