PRESIDENT'S SUN REPORT – November 2022

Hello Coffin Bay Community

Following our AGM on 11th October 2022, Coffin Bay Progress Association (CBPA) welcomed in new members whilst farewelling others. One of those moving on is Rachel Saxby who stepped in and took up the role as Acting President in April to carry us through to our AGM. Her drive and organisational skills in driving the BAMM events on behalf of CBPA and contribution over the years will be greatly missed. Thank you Rachel and we wish you well in your new ventures. A big thank you also to Angus Hender, Jan and Noel Saxby who volunteered and contributed to CBPA for the benefit of the community.

It is from the efforts of all those volunteers before us that we owe a sincere thanks in creating a Coffin Bay representative body, enabling the building of a community hall, which is owned by the community and maintained by volunteers, and that still enriches the community to this day. Since 1950 our hall has been a mainstay of community life. Now in the 21st century many things have changed but community is as important as ever.

Management Committee

President: Georgina Lewis

Vice President: Jackie Eagen

Secretary: Tracey Matheson

Treasurer: Linda Christian

We as your current representatives look forward to continuing to work to maintain our community hall and advocate for the Coffin Bay Community.

Sincerely

Georgina Lewis

Coffin Bay Bowling Club Needs You!!

With several members having retired from bowls or moved away, we are needing new players to join our club and enjoy our fantastic sport.

Our friendly group of members will welcome any interested persons, regardless of playing ability or experience to come along and enjoy the game of bowls. Our facilities are arguably the best on Eyre Peninsula, and members can enjoy bowls from social bowls through to pennant competition.

If you think you might like to give bowls a try, contact **Paul Phillips - 0411 881 474**

The Yacht Club has been built on the strength of its volunteers. From building the clubhouse, running the kitchen and the bar, offering sail training to the community, volunteers have provided the energy, skills and commitment every step of the way.

Are you looking for a chance to give back to your community? Are you new to town and want to meet some locals? If you can spare a few hours a month to help in our kitchen or bar, then come & join our team with the added bonus of an amazing view, a free meal & drink on the night and a voucher to return with your family or friends in your own time.

The club's focus is to foster a love for the sea, to promote sailing and water sports in our bay, and to provide a meeting place for locals, families and visitors. Well known for the friendly and welcoming atmosphere, the Coffin Bay Yacht Club strives to continue to be a vital part of the Coffin Bay community.

Volunteer on your own, with a friend or even in a group of friends. To join, contact Amy on amylcarr82@gmail.com or 0428 556 709 or drop in to the club.

Lower Eyre Family Practice is AGPAL Accredited –

What does this mean?

Being accredited means that our general practice is committed to a comprehensive program which involves:

- Engaging our whole practice team to review our practice's systems and processes
- Opening our practice doors to allow a team of independent surveyors to assess how our practice operates
- Assessment of our practice, and achievement of the nationally recognised Royal Australian College of General Practitioners (RACGP) Standards for general practices, that focus on health care quality and patient safety.
- As a member of the community you may be surprised to learn that general practice accreditation is a voluntary process – which means not all practices undergo an independent on-site assessment on a regular basis.

Achievement of AGPAL accreditation reassures you that our doctors and practice team are committed to providing you with high quality health care in a safe environment.

Next time you visit our practice be sure to look out for the AGPAL Accredited General Practice Symbol (below) or our accreditation certificate.

Our practice team is proud of this achievement and as part of this process we continuously strive to make quality improvements to better your patient experience.

Australian General Practice Accreditation Limited (AGPAL) is a not-for-profit independent provider of general practice accreditation in Australia.

To learn more about the benefits of accreditation to you, your family and the Australian community visit www.agpal.com.au
