# Volunteer in your Community

## Coffin Bay Bowling Club Needs You!!

With several members having retired from bowls or moved away, we are needing new players to join our club and enjoy our fantastic sport.

Our friendly group of members will welcome any interested persons, regardless of playing ability or experience to come along and enjoy the game of bowls. Our facilities are arguably the best on Eyre Peninsula, and members can enjoy bowls from social bowls through to pennant competition.

If you think you might like to give bowls a try, contact **Paul Phillips - 0411 881 474**

OR

**Peter and Lorraine Shepperd 0427 103 492**

*The Yacht Club has been built on the strength of its volunteers. From building the clubhouse, running the kitchen and the bar, offering sail training to the community, volunteers have provided the energy, skills and commitment every step of the way.*

*Are you looking for a chance to give back to your community? Are you new to town and want to meet some locals? If you can spare a few hours a month to help in our kitchen or bar, then come & join our team with the added bonus of an amazing view, a free meal & drink on the night and a voucher to return with your family or friends in your own time.*

*The club's focus is to foster a love for the sea, to promote sailing and water sports in our bay, and to provide a meeting place for locals, families and visitors. Well known for the friendly and welcoming atmosphere, the Coffin Bay Yacht Club strives to continue to be a vital part of the Coffin Bay community.*

*Volunteer on your own, with a friend or even in a group of friends. To join, contact Amy on [amylcarr82@gmail.com](mailto:amylcarr82@gmail.com) or 0428 556 709 or drop in to the club.*

## **DOGS ON SCHOOL GROUNDS**

At Lake Wangary School we have noticed that there are a lot of dogs being brought onto school grounds. I would like to make it clear to all the community that dogs are NOT allowed on school grounds. As stated in Council policy:

Section 45A (2) which states:

*A person who owns or is responsible for the control of a dog is guilty of an offence if the dog (not being an accredited assistance dog) is in, or in the grounds of, a school, kindergarten, child care centre or pre-school centre without the permission of the person in charge of that place.*

I would ask that everyone please respect our learning environment and keep your dog(s) off of school grounds.

Regards,

Wade Branford

### **"Sense in the Sun" By Dilip at the Coffin Bay Pharmacy**

#### UV Radiation:

- UV rays are part of the sunlight that damages the skin. We cannot see or feel them.
- A Sun tan is a sign of skin damage from UV rays and does not protect against skin cancer.
- UV radiation can also damage eyes.
- UV radiation is strongest and most dangerous from 10am to 2pm (11am to 3pm daylight saving time)
- Clouds do not block out damaging UV radiation and it is not related to temperature so you still get sunburn on a cool day.
- Sunlight passes through water and can damage your skin while swimming.

#### Self Care:

- Look for SunSmart UV Alert each day
- The best way to protect yourself from the sun is to :  
SLIP on sun-protective clothing that covers as much of your body as possible.  
SLOP on broad spectrum sunscreen SPF 30+ or above.  
SLAP on a Hat while outside.  
SEEK shade. Shade is the best way to protect against the sun's UV rays  
SLIDE on a pair of sunglasses.

#### Sunscreens:

- Use water-resistant broad spectrum sunscreen SPF 30+ or above.
- Apply sunscreen to clean, dry skin 20 to 30 minutes before going outside.
- Re-apply sunscreen every 2 hourly, re-apply more often if you are swimming or sweat a lot.
  - Put sunscreen on children before they go to school.
- Don't use sunscreen as your only sun protection. No sunscreen offers full protection against UV radiation.
