WORDS FROM THE COMMUNITY

Have you got news to tell the community? Maybe you'd just like to thank someone, write a little poem for everyone's enjoyment, or simply highlight the little things that make Cummins such a special place. Whatever it is you need to say, simply email it to cdec@dclep.sa.gov.au

LISTENING TO THE LAND

That's how I hear it,
through my pores
the deep creative energy of earth
soaring
above late afternoons
in a croon of slow breathing.

I walk long years
of silent place and space
till house becomes home,
till the grumble of newness
abates,
settles to music and embers.

Treading the understated earth,
I absorb its ferment,
air acrid with red dust,
the moist intimacy of soft days,
the taste,
the inspiration of wild bush.

Through the pulse of my feet
I listen,
spellbound,
hear the new/old voice
confound star haunted nights,
the luminous rhythm of seasons.

WONDERLAND NEWS

The Cummins Christmas Wonderland is looking at doing a Lego display at this year's Wonderland to involve community members. We are inviting people of all ages, from the young to the not so young, who are interested in Lego to exhibit their favourite Lego piece. It can be an original design or pre bought Lego-themed design that has not seen the light of day for a while.

For the Committee to know if this idea is viable, your display will need to be registered by 31st August, completed and handed in by 30th September. It is not intended to be a competition.

The exhibits would need to have been age appropriately challenging to build and to be inspiring for the public to view.

They would be displayed in a protected area during the Wonderland opening times in December.

If you would like to be involved with this initiative, and need more information, please contact Barb Boyce 0427 762 379

Thank you to all that braved the wintery elements and came to help us celebrate the Holden HQ turning 50!

Australian motoring history is something that we are very interested in, amongst all things automotive.

The HQ birthday event has uncovered a lot of HQ stories within our community and it's amazing to hear how many actually were within our district.

Did you know that there were over 460,000 HQ units made within the manufacturing period of July 1971 to October 1974?! On the day we were able to display a Belmont Utility, Kingswood Sedan, LS Monaro and 2 GTS Monaro's - if only all those vehicles could talk, the stories they would have to tell!

Thankyou to Cummins Meat Store and 5 Loaves Bakery for helping us raise \$300 for our local Lions Club.

If you've got a HQ story then share it with us on our social media pages - Facebook, Instagram and Twitter!
