Coffin Bay Clean Up Day report

Thanks to the volunteers who stepped Up for the Coffin Bay Clean Up on Sunday May 7th. It was a perfect day for the cleanup with about 30 people registering to assist.

A trailer load of garbage was collected from around the town, most of it soft plastic wrappers and bags. . There were also a lot of bottles and cans and it was noted that there are a lot of dumped car tyres around the town. The bulk of the rubbish was cleaned up from along the edges of the roads where it had collected under the vegetation, the boat ramp carpark was also a hotspot. The worst area continues to be the main road from the bend to the 80km sign.

Thanks to Coffin Bay Scuba Co. and divers for cleaning up around the wharf. The good news there is that most of the rubbish had been there for a while with tyres, fishing rods and a chair all well covered with sea life. Unfortunately there were also a lot of more recent bottles collected, also a phone and plenty of fishing gear.

Thanks to the BBQ guys for cooking the snags, and to Coles for their support for the day by providing the bbq supplies.

World Environment Day 2023

Our Day #WithNature

Greenly Beach Planting Day

Sunday 4th June 2023 10am-3.00 pm

In 2017 we put out the challenge to get over 1000 seedlings planted out at Greenly Beach. Thanks to the amazing support we are now preparing for our 7th community planting day. It's also the 9th year that Lower Eyre Coastcare volunteers and Lake Wangary School have been working together growing local native plants for Greenly.

Over the last 7 years we've flown kites, painted shorebirds, made rock art, had a whale cruise by, only been rained out once and planted a lot of trees. This year we are paring back to basics as we put out the challenge to get >1500 seedlings planted so we don't want any distractions. We need you there to help us achieve this and have a great day out at the same time. Thanks to the Lake Wangary School Governing Council volunteers there will be a BBQ lunch fundraiser to keep you fed.

This World Environment Day get outdoors and into nature and plant a tree or two, three, come for the day. If you haven't been to a Greenly planting day it's time to give it a go.

Dress appropriately for the weather and BYO gloves, bucket, mattock if you have them

Coffin Bay Community Hall

Needs Volunteers

You may like to assist with existing events or fundraisers OR you or your group may wish to create and run a community project or event. The hall and/or the Coffin Bay Progress Association (CBPA) are there to be used for the benefit of the community. CBPA needs people to join and utilise what the hall and association offers in assistance in running community projects, events or workshops.

Do you visit the hall for the:

- Library
- Markets
- Doctor
- Outback Country Health
- Pilates
- Yoga

Would you like to give back to the community on your own with a friend or friends or as a group. Assist in maintaining the hall , garden, newsletter OR organise something yourself.

If you would like to volunteer please contact

Georgina Lewis - 0411 784401

The hall and association belong to benefit the community of Coffin Bay. Please utilise it.

Volunteering and caring enriches you and the community

Lower Eyre
Coastcare
Association

We meet for our regular monthly workdays on the last Monday of the month and other workdays as required. Check us out on [f @lepcoastcare](#) to stay up to date with our current projects and workdays. On the last Monday we meet at the Coffin Bay boat ramp BBQ area, 8.30 am. Visitors most welcome.

We undertake varied activities around the coastline of Lower Eyre Peninsula, including collecting native plant seed, growing native plant seedlings, organising the annual Greenly Beach planting day, beach cleanups, coastal erosion management and increasingly campsite management.

Teaming up to power the Eyre Peninsula

FOR many years Allstate Solar and Kotz Electrical have worked together to install hundreds of high quality solar energy systems and battery storage solutions to Eyre Peninsula homes and businesses across the region.

Throughout this time these have been able to solve a myriad of power supply issues for customers, ranging from increasing power prices to power supply security and reliability issues.

Allstate Solar general manager Trevor Williams and Kotz Electrical owner Carl Kotz have together provided answers to some of the more commonly asked questions out there:

Q. Will a solar home battery eliminate my electricity bill?

Yes, a well-designed and installed solar system and battery can eliminate your electricity bill.

Q. Are there rebates and incentives currently available?

Yes. Allstate Solar has an exclusive rebate to offer residents on the Eyre Peninsula of up to \$2000 on a Tesla Powerwall 2 home battery (available from March 3, 2023 and strictly limited to 50 only)

Q. Will we have power during blackouts?

Yes, a Tesla Powerwall has a large storage capacity of 13.5kw which in most homes is sufficient during grid failures.

Q. Can a battery be fitted to my

current solar system?
Yes.

Testimonials

"ALLSTATE were very good to deal with. Made the whole process very easy, thorough with explanations and prompt to reply to any queries we had. Installation crew did a great job, hardly even knew they were there." *Greg Napier, Port Lincoln.*

"In January 2021 a new Tesla battery was installed. The panels were pumping into the battery by just after lunch and we were off the grid. It was a great feeling. Very happy and has worked exceptionally well since the day of installation. Good company to work with and had wonderful people as the installers." *Peter Phillips, Port Lincoln.*

"Can honestly say that from my first meeting with David the Allstate manager through to the team from Kotz Electrical completing the install the entire process has been a pleasure and since the performance has exceeded my expectations. Definitely five stars." *Mark Santos, Port Lincoln.*

"It's a great feeling to know that once the sun goes down our entire home is powered by the solar charged Tesla battery with no need to draw on the grid. There's peace of mind too that in the event of a grid power outage the battery will kick in seamlessly." *Mark Thomas, Boston.*

**MEDIA RELEASE**
22 MAY 2023**Vegetation improvements in Coffin Bay**

Vegetation works along Coffin Bay's coastal area will be carried out in coming weeks, thanks to a partnership between Lower Eyre Council and Lower Eyre Coastcare Association with funding from the Eyre Peninsula Landscape Board's Grassroots Grants program and Council.

Works to be undertaken include:

- Weed removal by a qualified contractor, with follow up work by the community, led by Coastcare volunteers.
- Revegetation of the Council trial sites where dead timber was removed. Assessment of these trial sites by the EP Landscape Board found these areas to be prone to overgrowth of highly flammable weeds and has a negative impact on remaining native vegetation. The findings recommend revegetating the trial sites to suppress the growth of the highly flammable vegetation types.
- Revegetation of areas where weeds have been removed or vegetation has been illegally cleared over the last five years and in line with the Coffin Bay Foreshore Management Plan 2013.

The revegetation works is being coordinated by Lower Eyre Coastcare and will involve students from Cummins Area School and Lake Wangary School as part of National Tree Day.

Members of the community are also invited to participate in the upcoming works through weed removal and planting days.

If you would like to be involved, receive weed identification information or want to volunteer to water newly planted seedlings during summer, please contact Lower Eyre Coastcare via email lowereyrecoastcare@gmail.com.

For enquiries related specifically to the onsite works please contact the EP Landscape Board on 8688 3200.

For all other enquiries related to this work please contact Lower Eyre Council Cummins Office via phone: (08) 8676 0400 or email mail@dclep.sa.gov.au

The Yacht Club has been built on the strength of its volunteers. From building the clubhouse, running the kitchen and the bar, offering sail training to the community, volunteers have provided the energy, skills and commitment every step of the way.

Are you looking for a chance to give back to your community? Are you new to town and want to meet some locals? If you can spare a few hours a month to help in our kitchen or bar, then come & join our team with the added bonus of an amazing view, a free meal & drink on the night and a voucher to return with your family or friends in your own time.

The club's focus is to foster a love for the sea, to promote sailing and water sports in our bay, and to provide a meeting place for locals, families and visitors. Well known for the friendly and welcoming atmosphere, the Coffin Bay Yacht Club strives to continue to be a vital part of the Coffin Bay community.

Volunteer on your own, with a friend or even in a group of friends.
