ME TRANNIE AND ME

I am married to me Trannie,
Or at least I'd better be,
'Cos we sleep together every night
In perfect harmony.

He keeps me mind from fretting
As I listen to his chatter
And when I get brownd off with him
It really doesn't matter.

I can tum him on to music
Which is all just good and fine
But he never folds his arms round me
Or puts his lips to mine.

Sometimes I think he's boring
Or just midnight slob
And it's then I get him rattled
As I fiddle with his knob.

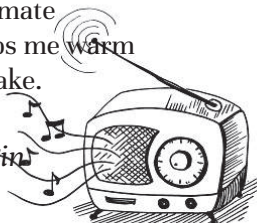

Now this can be exciting
Or can make me very cross
As I teach old Tran a lesson
About which of us is boss.

And although he quickly changes tune
It's all too damed mechanical
'Cos Trannie lets me have my way
Like a siren gone tyrannical.

He does the job I want of him
And at least he is hard wired
So I can switch him off quick smart
If my head aches or I'm tired.

But he is a substitution
For a living talking mate
Who snuggles up and keeps me warm
And kisses me awake.

CUMMINS HOSPITAL AUXILIARY MELBOURNE CUP LUNCHEON

By Marg Phelps

After not holding a Melbourne Cup Luncheon in 2020 due to Covid-19 restrictions, it was great to be able to get together and enjoy a very successful luncheon this year at the Ramblers Clubrooms on Tuesday, 2 November 2021 organised by the Cummins Hospital Auxiliary, as its major fundraiser for the year.

President, Janette Haarsma welcomed everyone to the luncheon, mentioning that people had come from Adelaide, Pt Lincoln, Coffin Bay and Tumby Bay as well as locally to support the hospital auxiliary in its fundraiser, she also introduced Meredith Treloar who was emcee for the day. Meredith explained her role as Community nurse for both Coffin Bay and Cummins, and said that many nurses from Cummins & Tumby Bay Hospitals were unable to attend due to attending a 3-day course, which has to be repeated every 3 years for 2 days at a time.

Mrs Treloar also acknowledged the Hospital auxiliary in the support it gives to the hospital and Miroma Place, in helping to fund many items for use in both places, as well as supporting the nurses upgrade, the garden hospital and anything else that is asked of them over the years.

Complimentary glasses of champagne and/or orange juice that had been supplied by Jane Smith and Marie Charlton were handed out to everyone on their arrival. Fiona Dahlitz, Matt Forster and Lacey Blacker kept everyone's thirst under control by manning the bar during the day.

Ross & Helen Mickan created the elaborate table decorations, while Gladys Hall organised the competition, that had each table drawing a horse and jockey with colours to highlight the jockey's clothing and cap. Some were very elaborate and others quite unusual. Winning table was No 5 with Joan Stanley accepting the prize, and runner up table was No 11 with Lorraine Pearson collecting their prize.

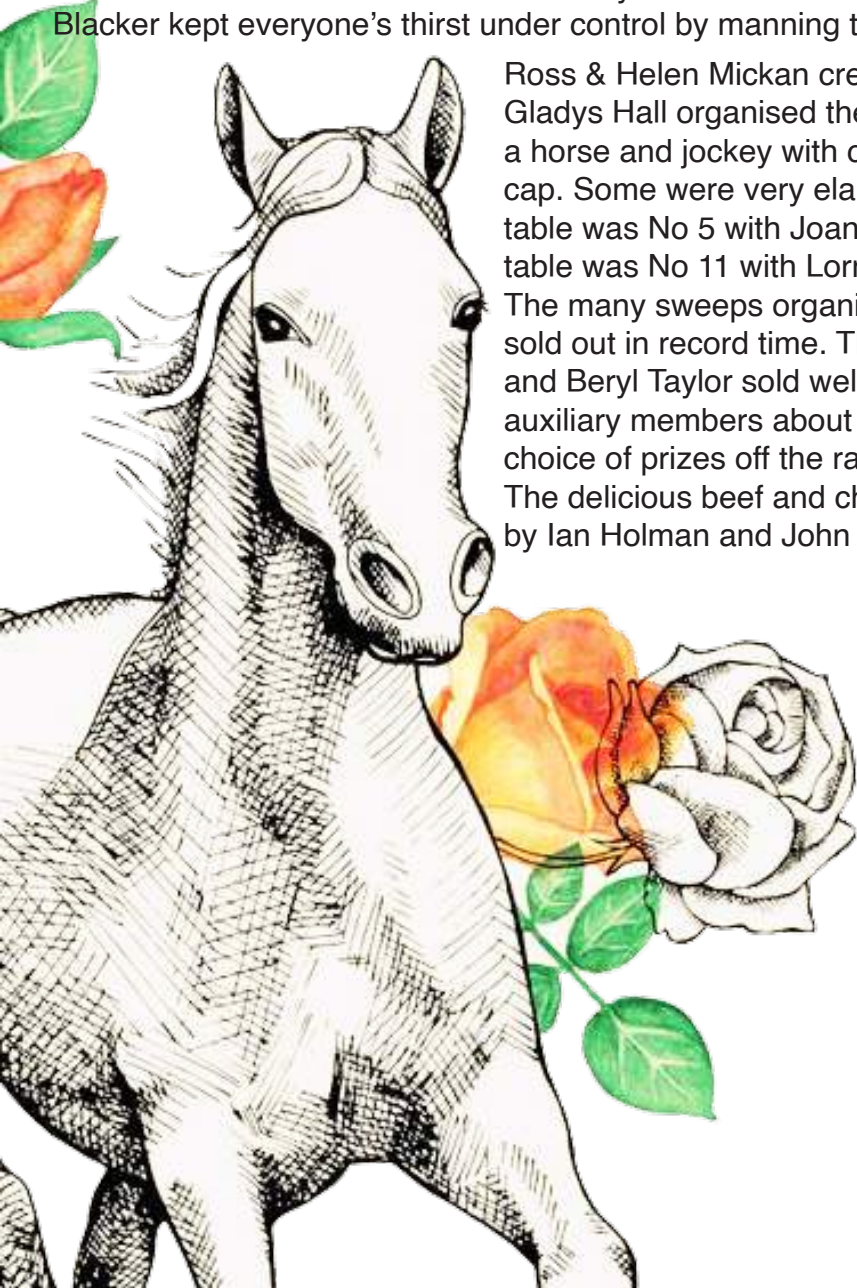

The many sweeps organised by Judy Holman and Ann Doudle were sold out in record time. The multi raffle tickets sold by Beth Meaney and Beryl Taylor sold well and because of the generosity again of the auxiliary members about forty guests were lucky in taking home their choice of prizes off the raffle table.

The delicious beef and chicken schnitzels were cooked to perfection by Ian Holman and John Mihaljevic. These were served up by the

kitchen staff under the watchful eyes of the Covid Marshalls, Marja Nagel and Trish Clarke. Everyone was also able to choose from a very large variety of salads that had been supplied by members of the Cummins Hospital Auxiliary.

Following the main course everyone returned to enjoy the many delicious sweets that had also been made by the Cummins Hospital Auxiliary members.

Amy Maddern along with Cummins Area School students, Katelyn Randall, Leona Papajua, Elsie and Bonnie Maddern entertained with their singing and guitar playing talents.

Best Hat competition was won by Joy Swaffer, and the most humorous hat was worn by Joy Head, while the winner of the lucky chair was Wendy Holman.

Liz Mickan had organised a horse race, and persuaded six unsuspecting ladies to volunteer to participate, three were the horses and three were the jockeys. The jockeys threw the dice and the horses moved either forward or backwards depending on the call from the race caller.

Horses were Miss Fluzie, (Grace Coombs); Beedlebum (Renae Rogers); and Jezabelle (Alexis Southern). Jockeys were Kay Breden, Rosemary Hauesler and Midge Guidera. After the famous race was over everyone collected their sweep winnings, and President, Janette Haarsma took the opportunity to thank all those who worked tirelessly in the kitchen, the bar persons and also thanked her committee, in particular the Secretary, Leanne Seaman.

Janette Haarsma also acknowledged the support given by the Rambler Football Club for the use of their facilities free of charge, and thanked those who came along to the luncheon in support of the major fundraiser for the Cummins Hospital and Miroma Place Hostel.

Everyone was encouraged to become a Cummins Hospital Auxiliary member and to attend as many meetings as possible that are held every 2 months.

Joy Head & Joy Swaffer – Winners of the Most Humorous & Best Hat.

Jockeys and Horses – Rosemary Hauesler, Alexis Southern, Renae Rogers, Midge Guidera, Kay Breden & Grace Coombs.

Josie Hammond, Thelma Street, Valerie Hill, Dawne Cooper, Lenny Vidic, Mary Vidic, Ludi Mihaljevic and Annie Minhard – enjoying the luncheon

Amy Maddern, Bonnie Maddern, Katelyn Randall, Leona Papajua & Elsie Maddern – Musical entertainment.

Cummins Branch

Meals on Wheels is a not-for-profit, community-based volunteer organisation working throughout South Australia. It provides support to members of the community to live independently by delivering fresh, nutritious meals on week days and also provides vital regular social contact.

The Cummins Branch of Meals on Wheels was established in March 1976, with one meal recipient, and in the following few months rapidly grew to six. Cummins now has 9 listed meal recipients, but this number varies on a daily basis. The Cummins Branch has delivered in excess of 100,000 meals to clients over the 45 years it have been established. Currently there are 70 women and men volunteers who work on a six week rotation roster. The delicious three course meals (soup, hot main course and dessert) are produced by the wonderful kitchen staff at the Cummins and District Memorial Hospital.

The driver payment generally given to volunteers, has been stockpiled over the years, with the proceeds going towards purchasing equipment etc to benefit the community. Over the last few years, five televisions have been purchased and installed in conjunction with the upgrade of rooms at the hospital.

Extra volunteers are always welcome and a new roster will be drawn up in early 2022. Volunteering takes less than an hour, once every six weeks. Anyone wishing to become a new volunteer, or current volunteers needing to change their rostered day, please contact Bronny Fitzgerald (volunteer coordinator) on 0429 014179 by the end of December. Thankyou.

CYCLING WITHOUT AGE CUMMINS

HELP US SAVE THE TRISHAW!

Cycling Without Age Cummins is a volunteer group of community-minded individuals who provide the elderly, and not so able, with the opportunity to experience the wind in their hair by going on a ride in a specially-built trishaw bike. Seniors, and other residents alike, benefit from waving to people they pass on the way, having a conversation, or singing with their other passenger and their pilot or, to put it simply, from the joy of being socially included again in their community.

However, **this treasured community service is currently in jeopardy** due to, mainly, two reasons: lack of volunteers and being unable to cover the ongoing maintenance costs.

Without enough volunteers/pilots, the committee cannot be sustainable long-term, and the trishaw will, unfortunately, stop operating in Cummins, so we need **YOU!** If you're looking for a free moderate-level fitness exercise that gives back to your community, this could be it. We're in the search for motivated pilots to ride the bike, and the process of becoming a volunteer is straight forward: all you need is a current police check, and a bicycle helmet!
(But if you haven't got either of those, we can help!)
Training is also provided.

Our committee doesn't want cost to be a prohibitive factor for the continuity of Cycling Without Age, however, in order to keep the trishaw in our town, we also need to raise funds of over \$1000 a year for insurance, maintenance and other bits and pieces. There are donation tins in different businesses around Cummins, and we welcome every donation, and offer sponsorship opportunities for businesses or organisations wishing to advertise their support. Every dollar and every bit of help we can get will secure the future of the trishaw in Cummins!

To learn more about how you can help us, please contact us via our Facebook page by scanning the QR code below, or email cdec@dclep.sa.gov.au to get in touch with a member of our subcommittee.
