PRESIDENTS REPORT

Hello Coffin Bay,

We have had a busy few weeks getting ready for the October BAMB and once again Rachel Saxby has pulled it all together and we couldn't do it without her massive input. Don't forget there will be Huge book sale in the Hall on Sunday the 3rd Oct, grab a cuppa, browse and find a bargain. Nothing is priced just make a donation towards the upkeep of the Community Hall.

Finally, after meetings, discussions, trying to deal with insurance companies and a lot of stress the CB pontoons are now insured thanks to the CB Yacht Club. They were asked if they could help and their Insurance Company was able to sort everything out, thank you so much Chris Stenson and the YC Committee.

As you all know there is a Salvos bin at the back of the Community Hall which is very handy for the Community but we are constantly having items left outside of the bin when the bin is full. Please, if the bin is full, take your donations home and try again later, I think the bin is emptied monthly. A couple of weeks ago a box of shoes was left on the ground, many didn't even have a matching pair so these went straight into the garbage bin, please think about what you are donating. If you have large items contact the Cummins Op Shop or drop them off to one of the many op shops in Pt Lincoln.

So excited to see the beautiful mosaics going up around Coffin Bay, the bathing beauties near the Caravan Park are amazing. You have set very high standard ladies.

Hope to see you all at BAMB

Cheers,
Carol Fathers

Gardening Tip

by Phil Siviour

Coffin Bay Gardening Service

It's time to put tomato seedlings into the ground you should have prepared 3 months ago!

Spring is a good time to try growing veges and flowers from seeds. Make sure you start with a good quality seed raising mix – don't use garden soil as it has seedling diseases. Sow the seeds thinly on the surface, then press in or cover lightly. Water your seedlings by half submerging in a bucket of water. Avoid watering from above as this may cause fungal spores to splash onto your new plants. As soon as you see growth, place in a warm spot protected from wind and direct sun. Once the seedlings have two sets of leaves, place them in a pot with potting mix (not garden soil). Place under a shady tree or verandah that gets the morning sun.

Did you know that Coffin Bay has an Emergency Ready Committee?

In times of emergency volunteers are needed to assist at the Last Resort Refuge (Coffin Bay Yacht Club). The Last Resort Refuge is open on days with a Catastrophic fire rating from 10 am to provide a place of shelter for those that need it.

Do you have an interest in helping Coffin Bay get through an emergency, like a bushfire or an extended power blackout with loss of communications? Volunteer tasks range from keeping the car-park at the Yacht Club clear for emergency vehicle access, to checking on supplies and providing a caring hand to possibly frightened people. The tasks provide assistance to our community beyond that offered as a bushfire place of last resort and is up to us all to do what we can.

On the day of a major event Emergency services will be extremely busy. CBERC will activate and ring members. If you are in a position to help you can show up to assist our community.

Meetings are held quarterly, or as required. You can also keep up to date by registering for the email list. Please get in touch to register your interest or come along to the next meeting.

Next Meeting: Monday 11th October 10.00am SAAS/SAPOL building Lear St
