On six nights before Christmas...

Carols in the Park 2021 kicked off with great excitement!

The early birds were treated with a snapshot into the up-and-coming musos within our community as Amy Maddern's guitar students played and sang with confidence. For those lucky enough to have seen these students in previous years, it's been a joy to watch them develop their musicianship.

2021 saw the return of our certainly-not-old-hat Madame of Ceremonies, Kirsty Fox, who set the theme for the evening in a very 'traditional' way! Audience members were invited up in groups of three throughout the evening to play charades, and from stuffing the turkey to playing backyard cricket to packing the car on Christmas morning, there had to be at least one Christmas tradition everybody could relate to.

The highlight of the evening, of course, was the opportunity to sing as a community in celebration of Christmas and the birth of Jesus. Our ever-reliable band saw some new faces, with Maya Radford taking to the keyboard, Dan Nordbrock rocking out on guitar and our special guest, Joel, on drums. We also welcomed back some familiar faces in Coral Wagner on keyboard and trombone, Chelsea Mikan on Trombone, Robyn Modra on Alto Saxophone, Kathy Turnbull and Amanda MacGillivray on flute, Roy Modra on guitar, David Modra on Bass Guitar, and Katelyn Randall, Elsie Maddern and Amy Maddern as our lead singers. Special mention must also go to Stephen Albrecht, Thomas Turnbull and Dan Nordbrock for managing the lighting and sound in what proved to be quite the windy evening!

The Carols themselves included old favourites such as *Mary's Boy Child* and *Joy to the World*, along with item pieces *It's Christmas* sung by the children and youth of Cummins, and *We Have A Saviour* performed by Amy & Elsie Maddern, Steve Glover and Ashley Lawrie. Kirsty Fox and Tegan Modra tried to capture the audience's attention through a Christian re-telling of the Night Before Christmas, but nothing could steal away from the children's simultaneous re-enactment of the nativity story. Councillor Steve Wooley shared a Christmas greeting on behalf of the Lower Eyre Council, and Pastor Peter Klemm gave a thought-provoking Christmas message and blessing. The evening finished off with goosebumps all around as the band and audience sang *The Blessing* together.

Along with those already mentioned, thanks must go to the District Council of Lower Eyre Peninsula, Bendigo Bank, Jody Klemm and Sophie Blacker for stage managing, and those that helped with setting up and packing up. The Carols Committee is made up of representatives of the Cummins Christian Churches. The value of their dedication to making this event happen is evident by the joy and peace shining through on the faces of you who come along! So, thanks to you too! And remember...there is never a bad time of year to sing Christmas Carols... 😊

Eyre Peninsula Disaster Fund activated for Karkoo-Yeelanna-Cummins Storm & Flood

Following discussions with the Lower EP community, the Eyre Peninsula Community Foundation has activated its Eyre Peninsula Disaster Fund to assist with the ongoing recovery from the storm and flooding which hit Karkoo, Yeelanna and Cummins between 21st and 27th January this year.

The EP Disaster Fund was last activated in response to the Sleaford fire in November 2012, and is established as a permanent fund with tax deductible status to respond as appropriate when unexpected crisis situations occur on Eyre Peninsula.

The EPCF invites donations from the public to the EP Disaster Fund. Donations are tax deductible, and will be used to assist those who are in necessitous circumstances as a result of the storm and/or flooding.

Foundation Chair Garry Downey said “Our Foundation has a history of supporting Eyre Peninsula community members impacted by disaster. We encourage the general public to assist local community members impacted by these events and donate to the EP Disaster Fund”.

Donations to the Fund can be made:

- By direct deposit to BSB 633-000, Account 142 751 643.
- In person at any Bendigo Bank branch.
- In person at the EPCF office, 5 Adelaide Place, Port Lincoln.
- By cheque to the EPCF at PO Box 1960, Port Lincoln SA 5606.

If you are paying by bank deposit, please add your name as a reference and then contact the EPCF on 0400 685 520 or email admin@epdf.com.au so that a tax receipt can be sent to you.

VOTE 1

LIZ HABERMANN

Independent Candidate for Flinders

Time for Change

Advertisement authorised by E K Habermann | 44 Eyre Highway
Wudinna SA 5652

On Saturday the 19th of March 2022, you will vote for a candidate to be the next member of parliament, representing Flinders in the SA Parliament.

I am asking you to vote for me to be that person.

For too long, Flinders has been a safe and easy seat for the Liberal Party! This needs to change in order for us to receive what we deserve!

Ask yourself a simple question - Are we getting our fair share of the money allocated to regions by the State Government? The Eyre Peninsula supplies over 42% of the state's grain production and 85% of the state's seafood production. And what have we received in return?

The Liberal Party has had years to address the poor state of infrastructure, the desalination plant, our crumbling health system, lack of beds for our elderly, Doctor shortages (or total loss of) and the lack of telecommunications upgrades to name just a few and yet they can find almost \$700 million for a new stadium and \$25 million for the aquatic centre in North Adelaide? And Labor, should they win, has promised \$80 million for that aquatic centre!

Enough!

I am a community minded parent and small business owner, and I am tired of watching our beloved Eyre Peninsula be forgotten time and time again. We need attention to our region immediately!

Some will try to tell you that a vote for an Independent is a vote for Labor. I say that's not true. Until this election, I always voted Liberal. Not this time though! We have become a forgotten people here on the EP all because we live in a safe Liberal seat!

With your help we can change that! I can be your voice in parliament to make sure our politicians look beyond Gepps Cross when deciding how and where to spend taxpayer funds.

Please give me your vote – we are in this together and it is time things changed for us on the EP!

We deserve better!

Thank you

Liz Habermann
Independent Candidate for Flinders

South Australian State Election

SATURDAY 19 MARCH 2022

When and where to vote

Polling day is Saturday 19 March 2022. Polling booths open from 8:00 am to 6:00 pm.

You can also find your nearest early voting centre or polling booth and check accessibility ratings by visiting ecsa.sa.gov.au, by checking the back of your EasyVote Card or using the MyStateElection tab on your MySA GOV app on your phone.

Don't forget that **voting is compulsory**, and that you can **vote at any polling booth in South Australia** on 19 March 2022.

Can't vote on polling day?

If you can't get to a polling booth on Saturday 19 March 2022, you may be eligible to vote early or by postal vote. To check your eligibility to vote via post or at an early voting centre, head to ecsa.sa.gov.au or scan the QR code on the right, which will take you directly to the eligibility criteria on our website.

Early voting

Early voting is available from Monday 7 March to Friday 18 March 2022.

Early voting centres will be open across South Australia, in capital cities around Australia, and in some cities overseas. Mobile polling teams will visit some remote locations around South Australia.

Voting dates and times vary so make sure you check our website ecsa.sa.gov.au or phone us on 1300 655 232.

Postal voting

To vote by post, you first need to complete and lodge an application form. There are 3 ways you can obtain an official postal vote application:

- Download an application from our website ecsa.sa.gov.au
- Pick one up from any Australia Post outlet
- Phone us on 1300 655 232 and we will send you one

Make voting faster – EasyVote Card and mySA GOV app

EasyVote Card

In early March South Australian voters will receive an EasyVote Card in the post.

The card features a unique QR code which can be scanned when you go to vote, instantly marking your name off the list of voters, making voting faster.

The card also includes a list of your nearest polling booths on the back.

mySA GOV app

If you prefer, you can set up your unique QR code on your smartphone through the mySA GOV app (the same app that you use for COVID SAFE check-ins).

Simply open the app, click on the MyStateElection icon and register.

If you register via the app we will not send you a paper EasyVote Card, helping us reduce costs and environmental impact.

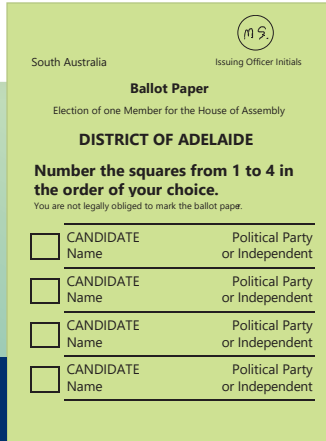

Don't worry if you forget to bring your EasyVote Card or app with you to the polling booth. You can still vote, but will need to have your name manually marked off the electoral roll.

How to make sure your vote counts

When you go to vote on polling day you will be given 2 ballot papers:

- 1) a green ballot paper for the House of Assembly, and
- 2) a white ballot paper for the Legislative Council.

Follow the instructions below to make sure your vote counts.

Green – The House of Assembly

On the green House of Assembly ballot paper you must **number every square** in the order of your choice.

- Write the number 1 in the square next to the candidate who is your first choice.
- Write the number 2 next to your second choice.
- Continue by placing the numbers 3, 4, 5 and so on until you have a number in every square.

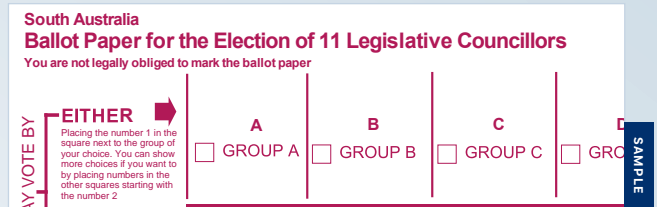

White – The Legislative Council

On the white ballot paper you can vote in one of 2 ways, **above** the red line or **below** the red line - **but not both**.

Option 1: Above the red line

If you just want to vote for one or more parties or groups of candidates, vote above the red line by:

- Writing the number 1 in the square next to the party or group of candidates which is your first choice.
- If you want to, you can write the number 2 next to your second choice, and so on for as many parties or groups of candidates as you like. You **do not** need to number every square.
- Leave the rest of the ballot paper blank. **Put nothing below the red line.**

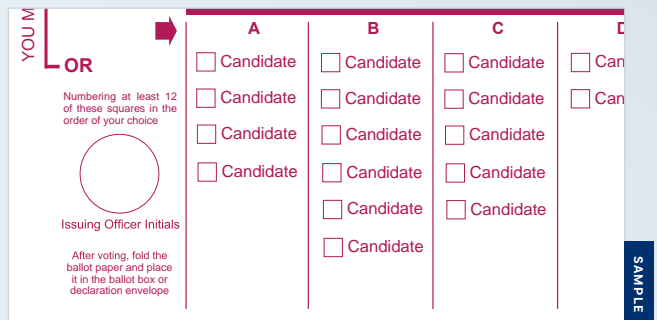

OR

Option 2: Below the red line

If you want to decide your own preferences for individual candidates, vote below the red line by:

- Writing the number 1 in the square next to the candidate who is your first choice.
- Then continue by writing the numbers 2, 3, 4 and so on in the squares next to the other candidates in the order of your choice, until you have chosen **at least 12 candidates**.
- You can continue to number as many squares as you like, but remember you need to number at least 12 squares.

Practice ballot papers are available at ecsa.sa.gov.au, as is further information on how to vote correctly, and the role of the different houses of government in South Australia.

Keeping COVID-Safe this election

ECSA is committed to delivering a COVID-Safe election, and a number of measures are in place to help protect the safety of voters and election workers.

This includes appointing dedicated hygiene officers at every voting centre to maintain hygiene standards and ensure safe queuing takes place.

Help us deliver a COVID-Safe election

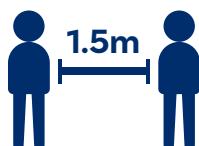

When you go to vote, follow these 7 steps for COVID-Safe voting.

COVID Safe Check-in

Check in by scanning the QR code with your phone, or by writing your details on the paper contact register.

Social Distance

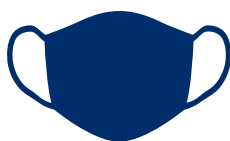

Keep 1.5 metres away from other people.

Hand Hygiene

Hand sanitiser is available at all voting centres.

Wear a Mask

Wearing masks is a condition of entry.

Bring EasyVote Card or Register on the mySA GOV app

Having the EasyVote Card or mySA GOV app will allow quicker voter mark off on the day.

Unwell

If you are unwell do not enter the voting centre. Call us on 1300 655 232 to discuss your options.

Pens or Pencils

Bring your own pen or pencil to vote. Single use pencils are available if you need one.
