

# The Coffin Bay Sun

June 2022

Initiative of the Coffin  
Bay Progress  
Association

[coffinbaysun@gmail.com](mailto:coffinbaysun@gmail.com)

## HAVE YOUR SAY!

The Management Committee of Coffin Bay Progress Association is considering introducing a new feature in The Coffin Bay Sun titled **Have Your Say!**

This is an opportunity for you to make comments or suggestions about things around town you like, don't like, would like changed, or would like to see introduced for the benefit of the community.

Some simple rules will apply ...

- Letters to be no more than 100 words
- The Editor & Management Committee will reserve the right to publish or not publish letters, or edit to fit available space.
- No defamatory or offensive comments against any person or business - these will be edited out, or the letter not published at all.
- Your name must be included for publication, and a contact phone number (not for publication). Anonymous letters will not be published.

The Editor and Management Committee reserve the right to cease publishing this feature at any time.

Coffin Bay Progress Association will introduce this new feature in the July edition of The Coffin Bay Sun, and look forward to receiving contributions, to email address [coffinbaysun@gmail.com](mailto:coffinbaysun@gmail.com)

Deadline for submission to The Editor for the July edition is 24 June.

# Local Gardening & Recycling Tips

## Gardening Tip

by Phil Siviour

Coffin Bay Gardening Service

It is an ideal time to improve the health of the soil under your deciduous fruit trees. Mulch the area with aged animal manure. This will be broken down over winter and will show an improvement in the ability of the soil to hold water. Aeration of the soil will be improved as well as better drainage and improved fruit tree nutrients.

If you haven't sprayed your fruit trees yet; time is running out! Drench the trees to prevent fungus spores from growing in cracks and crevices on the branches.

Autumn is a good time to give your strawberries some attention. Remove any late runners and weeds and check for snails. Mulch with cow manure or lucerne pellets. Top off with a seaweed product and liquid organic fertilizer.

## ZERO WASTE / RECYCLING

A few lines to inspire people to tread lightly on this beautiful planet

by Marianne Tremp

Polypropylene or PP is a **thermoplastic polymer** prized for its resistance to heat, strength, toughness, and flexibility. It is considered one of the safest plastics because it does not leach chemicals.

Ice cream containers and lids, yoghurt, margarine and butter containers, juice bottles, bottle caps, straws, plant pots and plastic takeaway containers.

As a general rule, a quick rinse is more than adequate for plastic containers and bottles. You don't need to scrub the remains in the mayonnaise jar with soap before recycling, and a few spots won't likely hinder the process. If the residue is sticky like peanut butter or honey, you may need to use a scrub brush or scraper to remove more of the product.

Again, small plastic bits like straws and pot plant labels for example, can go in the milk container and be recycled that way.

I am always trying to avoid buying plastic containers. Make my own yogurt, bring plastic containers to the butcher to put my meat in directly. And go to one of the bulk food shops to refill with all the goodies. And while I'm there, get a yummy healthy treat! Guiltfree and delicious 🍌

## News from your Coffin Bay SAAS volunteers

In May we celebrated national volunteer week and the theme for this year was *Better Together*. Every year SAAS rewards volunteers all around the state every year with a social event during volunteer week to say thanks! Our team makes it a priority to support local businesses for these events and this year we were treated to a fantastic night at Yarnbala.

During volunteer week we celebrated an amazing achievement by Coffin Bay Volunteer Team Leader Ann Trewartha – 15 years of service as a SAAS volunteer. A big congratulations and thanks to Ann for her commitment to her community and to SAAS.

Congratulations and thank you also to John Treloar, Volunteer Team Leader in Cummins, for 25 years of service as a SAAS volunteer. JT often helps out in Coffins too and we're always grateful to have his experience on scene.

Carrying on the *Better Together* theme – in May we held a joint training session with our local CFS crew. CFS sometimes get called to back up SAAS at jobs where we need a hand moving patients or some extra help treating patients. CFS members learnt to drive our ambulance in case they ever need to in an emergency, and how to help us safely move patients in tricky situations. It was positive and productive for both CFS and SAAS members and a great way to build rapport amongst our two emergency services in Coffin Bay. We plan to make these joint trainings a regular event so we can work together as safely and efficiently as possible for our community.

The Coffin Bay SAAS volunteers would like to say thank you for your support, but also a big thank you to all the other amazing volunteers in our community. Our little town is home to so many dedicated, caring and passionate people who are volunteering in so many important roles.

We really are *Better Together*.

As always, if you're interested in volunteering with SAAS in Coffin Bay go to <https://saasvolunteer.sa.gov.au/> or contact our Regional Team Leader on 0428 822 031.

## Greenly Beach planting day 2022

Sunday June 19th 10am-3.00 pm

An initiative of Lower Eyre Coastcare and Lake Wangary School

Our 6<sup>th</sup> year of the Greenly Planting Day and another 1500 seedlings to plant.

- BBQ lunch fundraiser for Lake Wangary School
- Help us create some more amazing nature art on the beach
- **\*\* Breaking news\*\*** weather and road conditions permitting we are pleased to announce that Bayside Grind will be on site serving coffee and more.

Thank you to the wonderful supporters of this day that have come out every year to help plant. Were you at the first planting day 6 years ago? Such a magic day with the kites flying. We are returning to the area where we started 6 years ago. Come and check out the progress. If you haven't been to a planting day yet it really is time. It's a great day out and a great way to actively care for our much-loved coast.

BYO gloves, bucket, hammer and shovel/mattock, if you have them, a wheelbarrow too if you are serious.

## **Coffin Bay Bowling Club Needs You!!**

With several members having retired from bowls or moved away, we are needing new players to join our club and enjoy our fantastic sport.

Our friendly group of members will welcome any interested persons, regardless of playing ability or experience to come along and enjoy the game of bowls. Our facilities are arguably the best on Eyre Peninsula, and members can enjoy bowls from social bowls through to pennant competition.

If you think you might like to give bowls a try, contact

**Paul Phillips - 0411 881 474**

or

**Peter and Lorraine Sheperd 0427 103 492**

The Coffin Bay Yacht Club is a vibrant community club that is run and worked by **VOLUNTEERS!**

We need your help in our family friendly club, by volunteering your time in the kitchen. Just once a month on the roster would be appreciated!

## **Lake Wangary School Fundraiser**

LWS has positioned bottle and can recycling trailers in Coffin Bay (behind the hall), at Lake Wangary School (visible from Farm Beach Rd) and at Farm Beach Caravan Park.

We thank all those who donate bottles and cans. The money goes towards our learning programs and facilities. Please contact the school if you have high levels of bottles and cans you need removed and we may be able to help. Thanks from LWS.

## **Flinders University Research Project**

Research scientists from Flinders University have started a major study of water quality in Kellidie and Dutton Bay. The research is funded by grants from the Eyre Peninsula Landscape Board, the Environmental Protection Authority and the District Council of Lower Eyre Peninsula and includes analytical chemists, hydrogeologists, sedimentologists and marine biologists. The overall aim is to collect data that will help us to understand the condition of the bays and to better manage, improve and protect these environments that are so important to us as a community.

The collection and analysis of water samples from the bays and from groundwater and surface water inflows into the bays is a key part of the research. This includes samples from bores and drains in Coffin Bay town and along the foreshore. If you have a bore on your property and are happy to have samples collected from it please email your local Councillor Alan Tingay who is assisting the University team – the bore doesn't have to be in active use.

## We listened to you... and we are improving patient care

At Lower Eyre Family Practice we carried out a patient survey (the Practice Accreditation and Improvement Survey) and asked for your honest opinions on the service we provide. We listened to your concerns and have taken the following actions in order to make improvements to patient care, where you feel it would be most useful:

What you told us	What we have done
1. We could improve the ability for patients to see Doctor or Nurse of choice.	We have been fortunate to recruit Doctor Schroeder-Perrang, to work alongside Dr Quigley and will continue attempting to recruit another Doctor, in order to offer more options and therefore access, for our patient base, to see their Doctor of choice, in a timely manner.
2. We could improve on updating patients on expected waiting time spent prior to appointment if there are delays	Our reception staff and clinical staff will be communicating more closely with each other when delays occur, so that patients are able to be updated as to how long the delay may be & have the option to reschedule if this goes beyond their ability to wait. We will also try to offer them an appointment with an alternative clinician if their schedule allows & the patient is willing.
3. We could improve on opportunities for patients to speak to a Clinician on the telephone.	We have introduced telehealth both via telephone and video, so patients are now able to schedule a time with their Doctor and utilise one of these options if they prefer.

**PUBLIC & PRIVATE influenza vaccine AVAILABLE NOW at Lower Eyre Family Practice.**
