CUMMINS TOWNSHIP MASTER PLAN

SHARE YOUR IDEAS

The Cummins Township Master Plan is being developed by the Lower Eyre Council. This Master Plan will provide a 20-year strategic framework and vision to guide the proactive and planned population and business growth and supporting investment required.

The Master Plan once finalised will be used by Council to inform future project timing, budget forecasting and advocacy agenda, to Federal & State Governments and the Private Sector.

You can find out more about the Cummins Township Master Plan on Council's Website. Provide your ideas for consideration as part of the Master Plan through attending a community drop-in session.
