Coffin Bay Progress Association

PRESIDENTS REPORT

Hello Coffin bay

I know that Rachel has thanked everyone that helped us over the long weekend at our BAMB but I would also like to thank them. Progress simply can't manage without helpers and we can't thank you enough. Having helper's means that we don't have to work such long hours on the day and we don't wear our volunteers out.

Christine, Klay & Sandra Marshall, Linda & Malcolm Christian, Tracey & Stumpy Matheson, Les Fathers, Jan & Noel Saxby, Belinda & Peter Thorpe, Angus Hender, Kim Coleman, Lacey & Jane, Therase Hutchins, Jane Majoor, Grant Shepherd, Lexie Neale, Denise Greenshields, Mark Palfrey, Kay Breden, Doug Clarke and of course Rachel Saxby for bringing everything together to make it such a great day.

A very special thankyou to the CB Yacht Club for once again covering the cost of the musicians and been able to use their chillers and dishwasher made our job so much easier, thankyou so much.

In advance I would also like to thank Therase & Nicky for volunteering to run the Halloween Disco and to all those that have said that they will help on the night, I'm sure it will be a great night and the kids will have a ball.

Now we are looking for a few helpers to help out on the 5th December at the Christmas Party at the Community Hall. Don't need you for long but if you could help on the Bar, cooking or serving on our food stall or helping the little ones on the craft table just give one of us a call.

I haven't heard back from Amplifon in regards to having a hearing clinic in the Hall so I guess it's not happening which is a shame but good news is that Country & Outback Health will continue their services into the New Year.

The ladies toilet is being tiled as I write this and Nick Bray has done another fantastic job. One day I would love to have the money to tile the kitchen but for now everything that was tiled and looking very tired has been replaced and will last another 50 years.

Check out the attached notice in regards to the upcoming Christmas Party and I hope to see you there.

Cheers,
Carol Fathers

Latest news from the Coffin Bay SAAS Crew

In October five members of our Coffin Bay team were lucky enough to attend the SAAS Volunteer Conference in Whyalla. It was a jam-packed weekend with guest speakers talking about everything from palliative care to emergency medicine in Antarctica and the outback. We also had hands on scenarios in trauma, mental health and patient assessment. It was also a great chance to meet and learn from other volunteers and team leaders. We did get a little carried away during the SAAS Special Operations Team session, with Hannah hoisted up a tree and Sarah hanging out as a stretcher attendant while Lara, Ann and Kaye worked the ropes. Big thanks to Brian and Maz who held the fort in Coffins while we were away.

With the weather warming up our recent training sessions have centred around snake bite, allergies and anaphylaxis. We also refreshed our skills in haemorrhage control and recognising deterioration in patients. Sarah and Kaye took the ambulance on a visit to the Lake Wangary Preschool as part of their program of learning about how to keep themselves healthy and who in the community can help when someone is sick or injured.

Just a reminder, if you call on us in the next few months we will be wearing some extra PPE like masks, glasses and maybe also gowns and face shields – it's all part of keeping us and you safe. We're proud to be a local crew – it means we save people from having to wait for a response from Pt Lincoln. But we do need more members to fill all our roster gaps.

If you're interested in volunteering with SAAS in Coffin Bay go to

<https://saasvolunteer.sa.gov.au/> or contact our Regional Team Leader on 0428 822 031.

Coffin Bay Bowling Club Needs You!!

With several members having retired from bowls or moved away, we are needing new players to join our club and enjoy our fantastic sport.

Our friendly group of members will welcome any interested persons, regardless of playing ability or experience to come along and enjoy the game of bowls. Our facilities are arguably the best on Eyre Peninsula, and members can enjoy bowls from social bowls through to pennant competition.

If you think you might like to give bowls a try, contact

Stobie Pole Art Trail

By now you will have seen artworks popping up around Coffin Bay brightening up the stobie poles. This project which will be ongoing for some time as there are many stobie poles to work on and as new artworks are completed. Eventually the artworks will be part of an art trail through town with. Details of some of the installed works so far:

Located on the Esplanade at the entrance to the boat ramp.
"Oyster boat launching"
Design by
Lea Jericho
(Lea is a local artist. Her work can be viewed at the Reel View Gallery
35 Esplanade, Coffin Bay)

Located on the Esplanade in front of the caravan park
"Megan and Gertie at the beach"
From original design by Megan Leach (also a member of the mosaics group)

Located on the Esplanade at the entrance to the boat ramp.
"Fish"
design by
Jayne Lane

All works in mosaics by the Coffin Bay Mosaics Group under the tutelage of Jayne Lane.

More information on the works will be available in the Walking Trails Brochure

The Coffin Bay Emergency Ready Committee would like to bring to your attention the trial of Alternative Voice Services being offered to residents of Coffin Bay and surrounds

There are a number of services being trialled across Australia to investigate alternative ways of delivering voice services in regional and remote areas. Whilst there are 260 trials going on only 2 have been chosen to trial the new Low Band Fixed Wireless solution -Coffin Bay and Robinvale (Vic).

CBERC considers this an important trial that residents should consider as it offers an alternative means of communication when power blackouts occur, and our town's communications go down with it.

When this service was being advertised it appears that some residents thought that it may have been a scam, or that there were hidden costs. We would like to reliably inform you that this is a legitimate service trial. Several of CBERC members have or are in the process of installing this service. We urge more residents to take up the trial which may support this potentially becoming a permanent service, offering residents an alternative means of communication in times of emergency. For details check out

<https://www.nbnco.com.au/learn/regional/alternative-voice-services-trial>

We recently welcomed the Libraries Board of SA, executive members of State Library SA, Public Libraries, Local Govt. Authority, DCLEP and CAS.

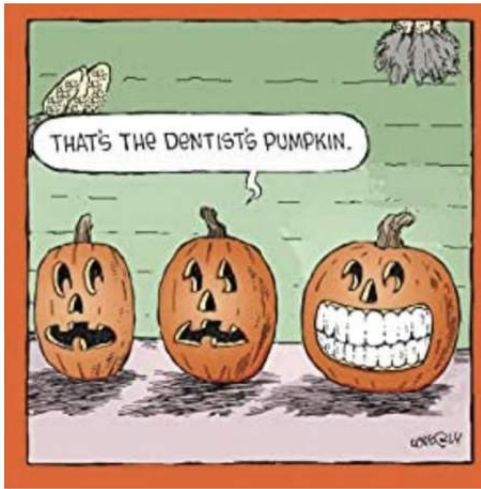

It was an excellent opportunity to share our progress in aligning our programs with the Libraries SA strategic plan, and the positive outcomes as a result. There was great discussion around the many different services offered, the challenges faced as a result of COVID, with the overall conclusion being one of confidence in our achievements and hope for the future ahead. An educational, positive meeting, reciprocated by our visitors.

COMING SOON!

A selection of new release, Adult Non-Fiction to the Library! Keep your eyes peeled...some great selections coming your way.

Gardening Tip
by Phil Siviour
Coffin Bay Gardening Service

Don't be fooled that your garden doesn't need watering if it's been raining. The secret to successful gardening, especially during summer, is to keep the roots of plants moist and cool. This can be achieved by having organic matter in the soil, mulch on top and using temporary shade during damaging heat. Remember to keep fruit trees well-watered as the crop grows.

If you haven't planted tomato seedlings yet, do it now in a garden bed that hasn't had a tomato crop for at least four years. If you have corn plants growing, build up the soil and mulch around the base of the plants for root growth and stability.

ZERO WASTE / RECYCLING

A few lines to inspire people to tread lightly on this beautiful planet
by Marianne Tresp

Yay! Our recycling bins have arrived!

Just a quick note about GLASS BOTTLES AND JARS. They can go into the recycling bin, as per the leaflet provided with the yellow lid bin BUT a better option is to recycle them at the local waste transfer station or take them to the \$0.10 recycling place (both for free). The reason for this is that glass will likely break in the compaction truck and contaminate the rest of the recycling. It can also be dangerous for the workers who sort through our recycled objects. The glass recycling place will take all glass off your hands, pre-sort it into colours and thereby enhance its reuse opportunities.

There is more information at: <https://www.nawma.sa.gov.au/glass-fines/> (Northern Adelaide Waste Management Authority - this is where our recycling goes for processing).

First collection in Coffin Bay will be Tuesday 2 November 2021 and fortnightly thereafter. Happy recycling!

And remember, zero waste begins when we buy things (or not).

Community Grants

Council has reinvigorated its 2021/22 Community Grants program to offer \$50,000 across three categories for individuals, community and sporting groups.

A new Community Project Grant will consist of broader eligibility criteria than the former Capital Grants program.

The Community Project Grant has a pool of \$43,000 available, with organisations welcome to apply for up to 50 per cent of a total project cost.

An Individual, Educational and Cultural Grant with a \$2000 pool is available to individuals to apply under the following criteria:

- \$100 for events held within South Australia
- \$500 for events held interstate
- \$1,000 for events held internationally

Council has also introduced a Community Halls Support Program, this year worth \$5000.

As part of the program Council will provide a maximum of 75 per cent of a total project cost. Any unallocated funds each year will be allocated to a Community Halls Reserve for future years applications.

Applications close at 12pm on Monday, November 8, 2021. Forms and guidelines are available at <https://www.lowereyrepeninsula.sa.gov.au/community-information/community-grants>

Council's Economic and Community Development Officer Julie Crettenden is available to discuss proposed projects with applicants by phoning 8676 0400.
