Presidents Report

APRIL 2023

Hello Coffin Bay

Autumn is settling in and cooler days and nights bringing with them the beautiful morning mists floating in across our bay. As we move through this autumnal month Coffin Bay

Progress Association will be coordinating and hosting our Easter Sunday BAMB market event on the 9th April on Coffin Bay foreshore with the assistance of Rachel Saxby organising stalls, Coffin Bay Yacht Club supporting music and Coffin Bay Tourist Association transporting equipment. Thank you to all.

CBPA will also be hosting an Anzac memorial service and morning breakfast on Anzac Day Tuesday 25th April 2023 in commemoration and remembrance.

Lower Eyre Council in association with the SALT Festival are presenting **Baylight** a three day extravaganza of light and music on the Coffin Bay foreshore Friday 28th April to Sunday 30th April. A first time ever held and a weekend not to be missed.

Wishing you all a very Happy Easter 2023

It is with great delight to announce that renowned, popular, Australian author, **Fleur McDonald**, is returning to the Cummins Library on **Thursday April 13 @ 4.00pm.**

Fleur grew up in Orroroo, studying and working in the agricultural industry, then moving to a farm near Esperance in 1996. Red Dust, Fleur's debut novel was released in 2009 and made her the highest selling debut author of that year!

She has since gone on to write 16 novels and 2 children's books. Fleur draws on a wide range of experiences, with her stories set in country Australia with salt-of-the-earth characters.

'Fleur is an authentic, down to earth and engaging speaker, who can talk about rural fiction, writing, autism, domestic violence, overcoming hurdles and country life.'

We have a large collection of Fleur's books available for borrowing, just in time for the Easter break, plus the library apps, BorrowBox and Libby have both ebooks and audiobooks for you to access.

We highly recommend joining us for a relaxed, conversational session with the very lovely Fleur McDonald.

RSVP to 86762476 or via email cummins.library@libraries.sa.gov.au

MEDIA RELEASE

SA Ambulance Service

Will you answer the call for your community? Become an SA Ambulance Service volunteer today.

SA Ambulance Service is today launching its volunteer recruitment campaign, Answer the Call. The campaign aims to attract volunteers across country South Australia.

More than 1200 volunteers provide ambulance services to South Australians in 80 locations.

This year the campaign will stretch from Elliston on the Eyre Peninsula to Robe on the Limestone Coast.

Relieving Executive Director Operations (Country) Jarred Gilbert said SAAS encouraged all regional South Australians to consider how they may contribute to their communities by signing up.

“SAAS volunteers help their communities in times of need, working with other likeminded individuals to answer the call when needed,” Jarred said.

“Becoming a SAAS volunteer can open up doors professionally, help you to meet new people and gives you a sense of pride in helping your community,” he said.

The recruitment campaign will commence in the west of the state and move progressively east over the next four months.

This year’s campaign will include a 30 second television commercial, to be shown in regional South Australia.

“We’re looking forward to showcasing the great work of our volunteers not only on television, but also online and in other publications, which we hope will inspire others to answer the call in their communities and gain practical skills and knowledge by joining one of our volunteer teams,” Jarred said.

Volunteers join the service from all walks of life, and no prior medical knowledge is required.

SAAS provides training, uniform and reimburses out of pocket costs such as travel and childcare. A fully qualified volunteer Ambulance Officer is awarded a Certificate IV in Healthcare and volunteers and their families also receive free Ambulance Cover whilst volunteering for their communities with SAAS.

Stations looking for volunteers include:

Cleve, Elliston, Hawker, Tumby Bay, Moonta, Wallaroo, Minlaton, Yorketown, Warooka, Ardrossan, Gladstone, Crystal Brook, Jamestown, Booleroo, Orroroo, Burra, Clare, Riverton, Eudunda, Hamley Bridge, Kapunda, Kangaroo Island, Coomandook, Coonalpyn, Tintinara, Meningie, Mannum, Lameroo, Pinaroo, Karoonda, Lucindale, Padthaway, Kingston and Robe.

Register at the town centre bbq area from 9am

Free sausage sizzle from 11.30am

There has been rising concern in the community about the litter through the town and on the roadsides. The Clean Up will be an opportunity for everyone to come out and cleanup the town after all the holidays and events are over.

We say thanks to all those in the community that are always cleaning up litter on their walks around town, and a big thanks to those that put in a huge effort to clean up along the Coffin Bay roadside. If you see bins overflowing or piles of rubbish dumped on the roadside these can be reported to Lower Eyre Council easily on the My Local App.

We are excited to have the opportunity to extend the clean up into the water this year with assistance from Coffin Bay Scuba Co. If you are a registered diver and can assist the clean up around the town wharf please get in touch with Manny at Coffin Bay Scuba Co to register your interest either mannykatz.com.au, or call 0401 811 020 or drop by the shop 61/2 Esplanade

NESTING PLATFORM PROPOSED FOR ENDANGERED OSPREY AT COFFIN BAY AND BLACK SPRINGS

Friends of Osprey South Australia are canvassing the views of the Coffin Bay Community on their proposal to erect two Artificial Nest Platforms, one on Goat Island and the other in “Dead Man’s Channel” at Black Springs.

Osprey are listed as Endangered in South Australia. Comprehensive surveys across South Australia in 2015-17 recorded only 43 pairs of Osprey, revealing a significant 26% decline in the breeding population. Coffin Bay has been home to Osprey for many years but in recent years monitoring has shown that the birds have not bred successfully at two sites: on the old nest near the Coffin Bay Oyster Lease and the other a channel Marker near Black Springs.

The Osprey Artificial Nest project commenced in August 2020 and has initially been focused on the recovery of the Osprey population across the Yorke Peninsula and St Vincent Gulf areas and in 2022 has been extended to Eyre Peninsula. To maximize opportunities and chances of Ospreys adopting nesting platforms, it is important to install platforms in preferred Osprey nesting habitats. Site characteristics and choice play an important role in the selection of artificial nesting sites and tolerance of Osprey to human disturbance.

The proposed platforms are both fully funded through grants and philanthropic donations. The platforms are constructed to engineer specifications from composite fibre so they will last for many years without risk to the environment. All necessary State and Local Government approvals will be the responsibility of Friends of Osprey. If the platforms are not accepted and used by Osprey, they can be relocated but on Tumbly Island the birds moved in within hours of the platform being erected and this has also been our experience on Yorke Peninsula where birds have breed successfully for the first time in 12 years.

Teaming up to power the Eyre Peninsula

FOR many years Allstate Solar and Kotz Electrical have worked together to install hundreds of high quality solar energy systems and battery storage solutions to Eyre Peninsula homes and businesses across the region.

Throughout this time these have been able to solve a myriad of power supply issues for customers, ranging from increasing power prices to power supply security and reliability issues.

Allstate Solar general manager Trevor Williams and Kotz Electrical owner Carl Kotz have together provided answers to some of the more commonly asked questions out there:

Q. Will a solar home battery eliminate my electricity bill?

Yes, a well-designed and installed solar system and battery can eliminate your electricity bill.

Q. Are there rebates and incentives currently available?

Yes. Allstate Solar has an exclusive rebate to offer residents on the Eyre Peninsula of up to \$2000 on a Tesla Powerwall 2 home battery (available from March 3, 2023 and strictly limited to 50 only)

Q. Will we have power during blackouts?

Yes, a Tesla Powerwall has a large storage capacity of 13.5kw which in most homes is sufficient during grid failures.

Q. Can a battery be fitted to my

current solar system?

Yes.

Testimonials

"ALLSTATE were very good to deal with. Made the whole process very easy, thorough with explanations and prompt to reply to any queries we had. Installation crew did a great job, hardly even knew they were there," *Greg Napier, Port Lincoln.*

"In January 2021 a new Tesla battery was installed. The panels were pumping into the battery by just after lunch and we were off the grid. It was a great feeling. Very happy and has worked exceptionally well since the day of installation. Good company to work with and had wonderful people as the installers," *Peter Phillips, Port Lincoln.*

"Can honestly say that from my first meeting with David the Allstate manager through to the team from Kotz Electrical completing the install the entire process has been a pleasure and since the performance has exceeded my expectations. Definitely five stars," *Mark Santos, Port Lincoln.*

"It's a great feeling to know that once the sun goes down our entire home is powered by the solar charged Tesla battery with no need to draw on the grid. There's peace of mind too that in the event of a grid power outage the battery will kick in seamlessly," *Mark Thomas, Boston.*

The Yacht Club has been built on the strength of its volunteers. From building the clubhouse, running the kitchen and the bar, offering sail training to the community, volunteers have provided the energy, skills and commitment every step of the way.

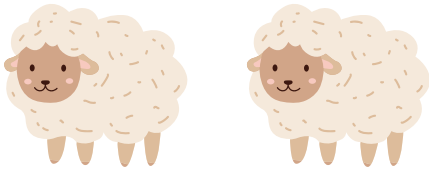

Are you looking for a chance to give back to your community? Are you new to town and want to meet some locals? If you can spare a few hours a month to help in our kitchen or bar, then come & join our team with the added bonus of an amazing view, a free meal & drink on the night and a voucher to return with your family or friends in your own time.

The club's focus is to foster a love for the sea, to promote sailing and water sports in our bay, and to provide a meeting place for locals, families and visitors. Well known for the friendly and welcoming atmosphere, the Coffin Bay Yacht Club strives to continue to be a vital part of the Coffin Bay community.

Volunteer on your own, with a friend or even in a group of friends.
