WORDS FROM THE COMMUNITY

Have you got news to tell the community? Maybe you'd just like to thank someone, write a little poem for everyone's enjoyment, or simply highlight the little things that make Cummins such a special place. Whatever it is you need to say, simply email it to cdec@dclep.sa.gov.au

THANK YOU TO LOWER EYRE COUNCIL

This is on behalf of all residents who use the facilities at the Cummins & District Memorial Hospital, whether to visit a relative or friend at Miroma Place Hostel, engage in the many services offered by the Lower Eyre Family Practice, or to receive valuable care in your time of need at our professionally run Hospital. I would like to take this opportunity to wholeheartedly thank all those responsible at the District Council of Lower Eyre Peninsula who enacted the long awaited refurbishment of the Car Parking area.

We are indebted for this work. We now have a completely bituminised area free from pot holes and uneven surfaces.

The work has also meant a much improved visual aspect of the Hospital and its facilities. Thankyou from all the community *Milos A.M. Sulda*

Postscript: In 2022, Council staff recommended this project be part of Local Roads & Community Infrastructure LRCIP funding, and Elected members endorsed the project.

Please stay away from ANZAC Day Events if unwell, and if you need to go out or if in doubt, wear a mask.

Thank you.

CONGRATULATIONS 40 YEARS OF SERVICE

CARMEL SHEEHAN

Sharon Sheehan Secretary, Carmel Sheehan, Di Modra Vice President,
Cummins branch of Meals on Wheels.

Carmel Sheehan was asked to become a Meals on Wheels volunteer around 1982. She now delivers meals to the lady that introduced her to MOW. Carmel has enjoyed delivering meals, having a chat and seeing if the residents are doing ok. It doesn't feel like 40 years as she can still remember taking her youngest son, while doing the deliveries. Carmel has seen a few changes over the years but the meals have always been light to carry and well marked. "The staff at the Cummins hospital cook the meals and do a great job", Carmel said. Carmel received her 40 years of service from Di Modra the Vice president and Sharon Sheehan the Cummins branch secretary.

IN CONVERSATION WITH...

FLEUR McDONALD

Thursday April 13
@4.00pm
in Cummins Library

RSVPs to 86762476

It is with great delight to announce that renowned, popular, Australian author, **Fleur McDonald**, is returning to the Cummins Library on **Thursday April 13 @ 4.00pm.**

Fleur grew up in Orroroo, studying and working in the agricultural industry, then moving to a farm near Esperance in 1996. Red Dust, Fleur's debut novel was released in 2009 and made her the highest selling debut author of that year!

She has since gone on to write 16 novels and 2 children's books. Fleur draws on a wide range of experiences, with her stories set in country Australia with salt-of-the-earth characters.

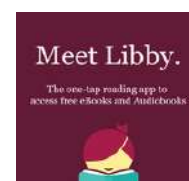

'Fleur is an authentic, down to earth and engaging speaker, who can talk about rural fiction, writing, autism, domestic violence, overcoming hurdles and country life.'

We have a large collection of Fleur's books available for borrowing, just in time for the Easter break, plus the library apps, BorrowBox and Libby have both ebooks and audiobooks for you to access.

We highly recommend joining us for a relaxed, conversational session with the very lovely Fleur McDonald.

RSVP to 86762476 or via email

Regenerate Rural Women Program

Regenerate Rural Women - Cummins

At the heart of rural and regional communities, and especially during time of disruption and crisis, women keep compassion and connection flowing. Wearing multiple hats and all too frequently prioritising other's needs ahead of their own, women give so much but rarely take time out for themselves.

Regenerate Rural Women is an opportunity to step away from your usual routine, reconnect with your strengths and passions while exploring new possibilities and making positive change.

- **Learn** strategies for enhancing wellbeing, building personal sustainability and managing stress
- **Explore** personal strengths, values, passions and motivations
- **Clarify** priorities, set goals and boundaries for living a more balanced and purpose-aligned life
- **Receive** support to follow through on goals and make positive changes
- **Increase** confidence and communication skills

\$165

Plus booking fee. This includes all training sessions, workshop notes, catering, character strength survey and Resilience@Work Assessment.

The full cost of this program is \$1,400. The fee has been heavily subsidised thanks to the generous support from WOTL and the event sponsors.

WoTL does not want the cost to be a barrier for participation. *Please reach out if you require scholarship support to attend this event or if you would like to provide a scholarship for another women in your community to attend.*

This project received grant funding from the Australian Government.

World Day of Prayer 2023

World Day of Prayer in Cummins on Friday, 3 March was one of 170 services being held around the world. The Cummins New Beginnings Church hosted the service, which began at 10am, with over 30 people attending. This year's service was prepared by the women of Taiwan and the theme was "I have heard your faith".

Christine Kelly welcomed everyone to the service, and explained the cover art on the prayer booklet. It depicted the women praying as darkness fills the sky. Christian faith brings peace and vision despite Taiwan's uncertain future along with significant species of birds, the Mikado Pheasant and the black faced Spoonbill, and the Butterfly Orchid, which is the pride of Taiwan.

Ian Pearson played the organ for the hymns sung throughout the service, while members of the Catholic, Lutheran and Anglican churches also participated in the service.

Diane Secker read the Bible reading from Ephesians 1: 15-20, while stories from five Taiwanese women telling about their Christian faith that had inspired them to live the life they had were read by Marg Phelps, Elaine Jericho, Gladys Hall, Beryl Taylor and Josie Hammond.

Prayers of thanksgiving for these five women were read, and we were all encouraged to pray for the Spirit of wisdom and revelation to show us all how we might serve others in our own lives, come to know God better, and understand God's love for us.

Prayers of confession were read by Fr John Folkman, Catholic Priest, who has recently been installed as the Parish Priest, serving Cummins, Tumbly Bay and Elliston parishes. Welcome Fr John!

Pastor Peter Klemm, Lutheran Minister, introduced the Bible Society Film about this year's Project – Support for Immigrant brides of Taiwan (half million women), to promote their wellbeing and that of their families.

The offering was taken up and raised \$298. Pastor Peter Klemm said an offering prayer, followed by the Lord's Prayer said by everyone.

In his absence, Reverend Stephen Albrecht had organised a video clip in which he did the commissioning for the 2024 service – Focus from Palestine on the theme "Bear with one another in love." He announced that the Catholic Church would be the hosts, and prayed a blessing upon them and upon those who will meet to prepare the service. He also sent us out with the Benediction. He prayed that the Holy Spirit might open our hearts, so that we can be a blessing to others. Closing Hymn – "The day you gave us Lord, has ended" was sung before morning tea and social interaction took place.

CUMMINS COMMUNITY GARDEN – UPDATE

Following our recent meeting we have decided to run a couple of very informal workshops for propagating, both taking cuttings and budding fruit trees. This would need to be fairly soon as peaches and nectarines are best done now. Aiming for after Easter sometime. We are looking for expressions of interest from the public. Attached is the poster we have created in advertising interest and feedback!

A grafting workshop will be planned for August or early September which is the optimal time for that, being for apples mainly. Again anyone interested we would love to hear from you.

A lot of summer vegetables are finishing up now, with some left for seed saving. We are planning our winter vegies now and with our new long archway almost complete, we can plant our different pea varieties to climb over the arch. Even some sweet peas for a bit of winter colour!

Our next working bee is planned for Friday and Saturday 5th and 6th of May from 9.30am – 12.30pm each day. Anyone interested in joining in either day or both would be most welcome. It is planned to do a bit of brick paving where the gate runs, finish off a couple of wicking beds and fill, take the timbers off the kids wicking beds to fix the tec screw leaks, re-fit with shorter tec screws, level the existing wicking beds that have dropped, put compost on some vegie beds and a general tidy up.

We are looking for anyone who has second hand pipe in the larger sizes of 1.1/2" or 1.1/4" that would be at least 2.5 metres long who would be willing to donate it to the Gardens. We are wanting to build a structure for grapes to grow over for shading our work area. It would be gratefully received.

We have given most of our committee members coordinator roils to share within their interests within the garden, to keep on top of the garden! We have, Mean Green (weeds) Coordinators, Flower Garden Coordinators, Herbs and bushtucker Coordinators, Infrastructure Coordinators, Wicking beds and fruit trees Coordinators, Back Garden and Kids area Coordinators, Grapes Coordinator, Watering Coordinators and Artistic Coordinators.

We are still planning on an "Opening Event" hopefully in the near future, although there are still a few jobs/infrastructure we would like get completed in the garden before hand. Such as potting area, framework over seating area etc.

Members are also continually on the hunt for grants, to cover cost for future plans such as security cameras, pizza oven, upgrading the CWA toilets/back room and so on! So please feel free to alert us if you hear of any up for grabs!

A special mention goes out to Peter Glover who kindly carted a big tanker full of rainwater to fill one of our big tanks. That should get us through until the winter rains. Thanks for your time and effort Peter.

If anyone is interested in joining our Community Garden or can offer us some pipe, please contact either Robyn on 0427 762 280 or Tegan on 0408 896 942 or go to our Facebook page.....
