Correspondence Highways & Local Government Letters received from the Secretary re the following matters. No work must be undertaken on main roads, (in anticipation of a grant for 1930/31 being allotted), unless written authority has been given by the Commissioner of Highways, or the Council have main road funds in hand.

Direction received, that in no case other than for patching, is expenditure to be incurred from Govt Grants a/c for surfacing or re-surfacing main roads with tar or bitumen unless approval in writing from the Highways Department has been given The Govt. has issued orders that no unnaturalized British subject is to be employed on works being carried out by Councils, the cost of which will be met, partly, or wholly, from Govt. road funds. Attention is drawn to the fact that a new clause, drafted by the Crown Solicitor, may be inserted in all contracts let by Councils

to protect the payment of wages etc, to contractor's employees. Re "Danger" & "Direction" signs, which will be supplied by the Shell, & Vacuum Oil, Companies, where the Council's consider they would be of use to the travelling public.

Mr E. Whitlock Jones, Wrote calling attention of the Council to the bad state of the road from Warrow to Pillana Lake. If the Council would call tenders for 20 chains to be repaired, he would put in a price for £6-10/- per chain. Mr Jones to be replied to, saying that there are no funds available for the work at present.

Mr S.C. Shaw Wrote advising he is starting a butchering business at Yeelanna, & asked for particulars re premises, & for licence fee Licence to be issued, & premises inspected.

Cummins Vigilance Committee. The Secretary wrote re the following. The very bad state of the main street of Cummins, requesting the Council get their Overseer to inspect, & report on it, & further that they may be advised when it is likely the Council will undertake the work.
