Coffin Bay Foreshore Revitalisation Project Update

Update Reporting Period 21/09/2026 – 2/10/2026

Upcoming works for the fortnight:

- Continuation of retaining wall works
- Continuation of kerbing works
- Carpark footpath/batter preparation works
- Parking bay pavement preparations works

Disclaimer: Please note that works are subject to change due to weather conditions, and other unforeseen circumstances.

Cummins Residential Land Development, East Terrace Update

Update Reporting Period 28/09/2026 – 9/10/2026

Works continue to progress, with construction crews advancing the stormwater system installation and preparations underway for the effluent gravity network. While progress has slowed due to trench depths now exceeding three metres and the need to move significant volumes of material, deliveries for the effluent system have been largely completed and all-weather site access has now been established.

Over the coming fortnight, works will focus on completing the stormwater installation and commencing installation of the effluent gravity network.

BUSHFIRE SEASON IS APPROACHING

Now is the time to prepare your property and help keep our communities safe.

Our Fire Prevention Officer will begin the first round of inspections across township areas using specialised mapping and property assessments to identify properties that may require works to reduce fire risks ahead of the season.

Rubble for Roads Promotional Video

Did you know more than 90 per cent of Council's road network is unsealed?

In an effort to secure rubble sources across the district, Council has produced a promotional video for landholders to consider making rubble available from their properties.

Road Re-Sheet Works Commenced

Road re-sheeting works are underway on Frenchman Road (2.9km from the Mena Road/Ant Hill Road intersection) and Marble View Road (1.9km from the Lincoln Highway) from 29 September to 19 October 2026.

Motorists should expect changed traffic conditions and possible delays, and are reminded to observe all signage, speed restrictions and traffic control measures.

Council appreciates the community's patience while these important maintenance works are completed, with further re-sheeting projects to commence in the coming weeks and updates provided via Council's social media channels.
