ZERO WASTE / RECYCLING

A few lines to inspire people to tread lightly on this beautiful planet
by Marianne Tresp

We all want to know that our efforts are not in vain when it comes to recycling, as it is a bit of a pain in the bum to collect all these different materials and drop off at different sites. I looked into where the bags of SOFT PLASTIC actually go after they get dropped into the collection bins at the supermarket. REDcycle collects the soft plastics and has partnered up with companies in Victoria and NSW who use the material for various projects such as asphalt additive, production of indoor and outdoor furniture, bollards and signage, just to name a few. Reusing is a trend at the moment and there will be more and more projects for materials in the future, I'm sure.

This link tells us what can go into this bin: <https://www.redcycle.net.au/what-to-redcycle/> and we were surprised how many things can be recycled and reused again. The list is long! As always, it would be best not to purchase plastic at all, but it is good to know it can be reused and won't pollute our oceans.

Volunteer in your Community

Coffin Bay Bowling Club Needs You!!

With several members having retired from bowls or moved away, we are needing new players to join our club and enjoy our fantastic sport.

Our friendly group of members will welcome any interested persons, regardless of playing ability or experience to come along and enjoy the game of bowls. Our facilities are arguably the best on Eyre Peninsula, and members can enjoy bowls from social bowls through to pennant competition.

If you think you might like to give bowls a try, contact

YOUR HELP IS NEEDED!!!

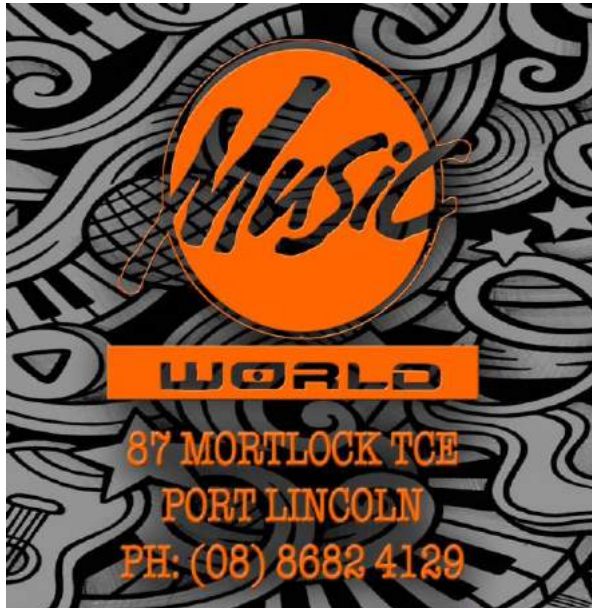

Our local CB Community Hall needs your help. Our 50 year old building is showing her age and the roof has leaks with rain & wind coming through in many places. Rock Solid has given an estimated quote of \$55000.00 for this project. Our Community Progress Ass have raised \$25000.00 in Grants. Financial help from the Community to cover the remaining costs, no matter how small or large would be greatly appreciated.

Progress fund raise all year to keep the Hall open with funds covering the costs of water, rates, power, insurance etc but there's not much left over for major works.

The Community Hall is filling the needs of all in our Community with Health Services supplied by Country & Outback Health, Podiatry, Dietician, Mental Health and Diabetes education, Amplifon with all your hearing needs and our much loved Dr Claire.

If you are able to help in any way please contact the CBPA treasurer, Linda, on 0409092168.

Thankyou

The 5th public planting day at Greenly Beach on June 20th had ~ 100 people attend and plant ~ 1000 trees and shrubs by 2 pm. Thanks to all the Coastcarers that turned out to get the plants in the ground and our flock flying. We were pleased to have Naou Aboriginal Elder Jody Miller give a welcome and thanks for caring for the area. The Greenly Day is firmly in the calendar now and we continue to grow in so many ways.

We thank the following for helping us with financial assistance to run the day:

The Greenly Carriage, Peter Treloar Member for Flinders, Open Eyre Events and Sunset Charters. We thank the Cummins Op Shop for a grant to buy the materials and the assistance of the Cummins Men's Shed to create our flock of beach nesting birds which flew on the day and will continue to pop up around EP.

Thanks to volunteers from the Lake Wangary School Governing Council for running the bbq and keeping all the tree planters fed and to the helpers who arrived early to get the marquee up then stayed until the end of the day to bring it down.

We also thank the Eyre Peninsula Landscape Board for use of equipment and staff expertise and Kat from Two Shoes Productions for getting our eagle off the ground. and overseeing our art project "The flock". Our plants have certainly got off to a wet start!
