We were delighted to welcome Bronnie and Kelly from Statewide Inclusive Education Services-formerly SERU, to the Library on Wednesday August 8.

Huge thanks to the health professionals, community members and staff who supported the launch. It was a great opportunity to view the resources now available to borrow for any library member, plus seeing the extensive collection also available on the SIES website.

We strongly encourage you to come to the library and peruse the collection, which can help support and extend your child/ren's development.

Thanks also to Lower Eyre Council for their ongoing support and partnership, plus the delightful catering they supplied, purchased from Five Loaves Bakery.

Interested in creating your family tree?

DRIVING INSTITUTE**

AUSTDRIVE 1

Youth Driver Awareness Program

CUMMINS, SA

The Austdrive 1 Youth Driver Awareness Program is designed for 16- 28 year olds across Australia, who currently hold a probationary, learner licence or full licence. Going beyond the scope of any learner training previously done, the Austdrive program training meets each young driver at their level and is designed to give young drivers a realistic view of their actual abilities (as opposed to what they think they can do). The course focuses on practical driver awareness, resulting in a true perspective; not the one their peers have given them. Prevention is better than cure when lives are at risk.

Course content includes:

- Basic car dynamics and control skills
- Emergency braking
- When two wheels are off the bitumen
- Safe steering
- Wildlife dangers
- Understanding speed, fatigue, alcohol, peer pressure
- Safe following distances
- Car modification (what's real and what's not)
- Observation techniques
- Emergency collision avoidance
